Jeff:

Please see the following motion from the Board of Finance meeting of June 24, 2010 on the subject of the Board of Education year end surplus:

Mr. Gaston moved to recommend to the Legislative Council the resolution stating the Board of Education year end surplus be transferred to the capital non-recurring fund for the intended use for future Board of Education capital expenditures. The motion unanimously passed.

As a reminder, the Board of Finance, in a letter dated May 28, 2010, recommended a joint meeting between the Board of Selectmen, Board of Finance, Legislative Council and the Public Building and Site Commission to review and discuss the bids and bid options for the Middle School roof replacement. Please advise as to when this will happen.

Sincerely,

John Kortze (SM)
