

## Visiting Nurse Association of Newtown, Inc.

The VNA meets the first Tuesday of every month, September through June. In September, the meeting is on the second Tuesday and is also the Annual Meeting. All meetings are in the Old Courtroom of the Edmond Town Hall. With the cooperation of Bethel VNA (203-792-0864) and Danbury VNA (203-792-4120), the Newtown association provides nursing, physical therapy, and nursing aide services to Newtown residents. Newer resources include skin cancer screenings and cholesterol screenings. We provide eye screenings in nursery and preschools. The VNA maintains a loan closet of medical supplies such as wheelchairs, crutches, shower seats and other things, available at no cost to any Newtown resident. The VNA Thrift Shop is located from the back parking lot at Edmond Town Hall. The store is open each Wednesday from noon to 3pm and Saturday's from 9am to noon. In season donations gratefully accepted. A blood pressure screening is held the second Thursday of each month from noon to 1pm at the VNA Health Center in the Senior Center's multipurpose room.
