Old Business:

Discussion and Possible action

1. Pickleball

- a. Discussion about possible location of courts, possible at the end of the walking trail. P&R is thinking it might cost \$60,000 per court. Newtown Pickleball Assoc is looking to apply for a STEAP grant to help the funding of the project. Mr Manfredonia also mentioned that P&R could charge for the use of the courts for lessons and tournaments which would help offset the cost of the courts. The hope is to see the P&R CIP which is pending to the Board of Selectman to get a better idea on cost and location. Tabled to next meeting.
