- ⇒ Not all programs allow for non-resident participation.
- ⇒ Non-residents will be required to pay an additional \$10.00 per program.
- ⇒ Non-residents may participate in bus trips.

## **DO NOT WAIT UNTIL THE LAST MINUTE!!**

Nothing spoils a good program quicker than everyone waiting until the last minute to register. If there are not enough registrations by a certain date, the program may be canceled. Coming in on the day the program begins won't resurrect it, so please register early.

## **REFUND POLICY**

All programs are self-supporting and a commitment needs to be made to instructors and staff. Therefore, NO REFUNDS will be given after the start of a program EXCEPT for medical reasons, upon receipt of a physician's note. Communication to Parks and Recreation at onset of the condition is required. Refunds for cancellations made within one week prior to the start of a program are issued, but a \$10 processing fee will be charged.

## **CANCELATION POLICY**

Programs held at the Newtown Schools follow the school schedule, therefore, if schools are closed or canceled Parks & Recreation programs at the schools will be canceled. Programs held at the Newtown Teen Center, Newtown Youth Academy or an off site location do not always follow the school schedule. In the event of inclement weather or other factors beyond our control, programs may need to be canceled. If program(s) are canceled make up sessions will be offered. If you cannot attend the makeup session no refunds will be given. Please sign up for our automatic cancellation notices on our website [www.newtown-ct.gov](http://www.newtown-ct.gov) or call our cancellation number 203-270-4340 and press 1.

## **IMPORTANT NOTES**

- ⇒ All Parks and Recreation programs are on a first-come, first served basis.
- ⇒ Parks and Recreation does not send confirmations. No news is good news! Please assume you are registered for the program(s) you have selected. You will be contacted only if there is a problem.
- ⇒ Parks and Recreation cannot be responsible for loss of mail or postal delays.
- ⇒ Program participants are reminded NOT TO PARK IN FIRE LANES, per order of the Fire Marshall. Fire lanes are those areas in front of each school which are painted yellow.
- ⇒ When participating in a program at the Teen Center please park in front of the Teen Center ONLY. Do not park in front of businesses.
- ⇒ Sign up to receive our recreation brochure and recreation cancellations at [www.newtown-ct.gov](http://www.newtown-ct.gov). Scroll to the bottom of the web page and click on email subscriber and follow instructions. Or call 203-270-4340 ext. 1 for cancellations or ext. 2 and leave a message.
- ⇒ The Newtown Parks & Recreation Commission meets the second Tuesday of each month. Public input is welcomed at these meetings.
- ⇒ If a participant displays unruly behavior, he / she will be asked to leave the program and NO refund will be given.

## **INCLUSION STATEMENT**

In an effort to meet the recreational needs of all residents of Newtown, the Parks & Recreation Department has adopted a policy of inclusion. Although some facilities are not yet wheelchair accessible every attempt will be made to accommodate and encourage people with disabilities to participate in our programs. Please use comment section on the registration form detailing your circumstances.

Letter from the Director

Wow, what a snowy winter it has been. It is with great pleasure to be presenting you with our Spring and Summer Preview... warms the bones just a little to be planning for our sunny weather fun, recreational activities and programs.

Speaking of fun, I have one activity I would love for all of you to sign up for and it is free: It is activity number: 333333 Leisure Time Together

It is not an organized sport or program (which are wonderful), not a program with a fee or a set time, date and specific location... but a program for you and your family to spend some leisure time together.

It might be a visit to our beautiful Eichler's Cove to have a picnic near the beach. Or a picnic dinner at a Summer Concert, a hike at Orchard Hill Nature Center (mother nature misses her children), a game of Frisbee Golf, a hike on Barb's Trail at Dickinson Park and check out the amazing athletes on the new skate park while you're there, a hike at Fairfield Hills, you get the idea. Make sure to set aside some leisure time for yourself and your loved ones. Sign up for this activity by putting it on your calendar and letting us know that you are committed to doing this by putting in the code. It will be fun to see how many people do this, because we know how busy we can get, how stuck to routines and schedules. Remember the benefits of Parks and Recreation are endless so don't forget to set aside some leisure time for you and your family.

Sign up now!

Please remember to share your ideas, suggestions, comments and questions with the Parks and Recreation Department and the Parks and Recreation Commission. We love to hear from you because it is our mission to create quality recreation and leisure opportunities, strengthening the community through people, parks and programs.

Have a fun, safe and healthy summer:

Amy Mangold

The Golf Quest facility has a large putting green with chipping areas, a pitching green with both artificial and natural grass hitting areas, a greenside bunker and a fairway bunker. The newly constructed natural grass hitting area is ideal for practicing pitch shots from fairway lies, from the deep rough, as well as a variety of uphill, downhill, and side hill lies. Topics include healthy lifestyle, priorities and concerns of emergency, restraining and muzzling, primary pet assessment, rescue breathing, CPR, bleeding, shock, fractures, heat and cold injuries, insects and snake bites, poisoning, injury and wellness assessments, vitals, first aid and emergency preparation kits. Why learn Pet First Aid: First aid is the immediate care given to a pet that has been injured or suddenly taken ill. It is estimated that up to 60% of animal hospital visits are emergency in nature and it is the leading cause of death among presenior dogs and cats. According to the AAHA (American Animal Hospital Association), 1 in 4 more pets could be saved if just one technique was applied prior to veterinary treatment. Knowing the skills and techniques of Pet First Aid can mean the difference between life and death, temporary and permanent disability, rapid recovery and long recuperation, expensive vet bills and reasonable home care. The more you know about your pet's health, the better chance you have of keeping a simple problem from becoming a large one.

Aikido is a gentle martial art that can be experienced and enjoyed by the whole family. The grace and power of Aikido comes from using the attacker's force to throw him/her with minimal effort. The Aikido principles of balance, blending and non-resistance teach students to seek creative alternatives to conflict, both physical and verbal. By training in a supportive, non-competitive atmosphere, students will learn and experience: Useful physical skills such as rolling and falling safely: Creative conflict resolution, body awareness and practical self-defense skills: Enhanced coordination of mind and body: Improved balance and coordination: Increased self-confidence and self-discipline, while having fun along the way. In a world increasingly filled with stress and conflict, the lessons of Aikido are useful tools for both children and adults. We are associated with Berkshire Hills Aikido in Great Barrington, MA. To assist in this training, Skyhawks has adopted the SNAG (Starting New at Golf) system to it's curriculum. Developed by PGA professionals, SNAG is specifically designed for the entry level player; SNAG simplifies instruction so that young players can make an easy & effective transition onto the golf course. The camp is split into the following appropriate levels: Fun in the Sun: (4-6 years) Fun, exciting games to build confidence and teach fundamentals. Within this curriculum players will cover ball familiarization, small group dynamics, coordination skills and social interaction, all with maximum participation in a fun oriented environment. Skills 'n' Thrills (7-12 years) Technical development & skills building in a stimulating environment. Players will be challenged to consider basic tactical components at an age appropriate level, including attacking and defending principles. Over the week, players will be self assessed using standardized National Soccer Tests focusing on the technical aspects of the game, along with the "UK Quiz," and World Cup Competition (6v6). Compete With Your Feet (10-16 years) Challenging game related situations are utilized to develop a player's technical ability and tactical knowledge. ## Golf

### SHORT GAME SCHOOL GOLF

The short game makes up at least 60 to 70 percent of the shots in a given round of golf. Yet most people spend very little time practicing their short game or learning proper technique. This program will include work with pitch shorts (full, partial, lob or flop shots, uneven lies), sand play (greenside bunker shots, medium and long bunker shots, uneven lies, firm v. soft sand, different club selection, buried lies and fried eggs) and more. The Golf Quest facility has a large putting green with chipping areas, a pitching green with both artificial and natural grass hitting areas, a greenside bunker and a fairway bunker. The newly constructed natural grass hitting area is ideal for practicing pitch shorts from fairway lies, from the deep rough, as well as a variety of uphill, downhill, and side hill lies. There is a maximum of 6 people per class so that students will receive more individual attention.

## Dagorhir/Plant Identification/Primitive Skills

### CAMP DAGORHIR

Camp Dagorhir is back for 2011! We will indulge in our favorite battle scenarios like gladiator rings, raiders, capture the flag, and zombies. Campers will get to use a wide variety of gear and shield, as well as test new games, characters and real armor! If you've never had a chance to play, dagorhir is a new kind of sport based off of medieval combat and influenced by sources like The Lord of the Rings. Players wield foam swords, axes, spears, shields and more that are built to high safety standards to match participants' skills in battle and in imagination. It is a wonderful source of exercises, cooperation and self-confidence as kids use team strategy along with individual objectives to do what kids do best, and everyone finishes the week with great friends. Great for all ages and athletic abilities. Safety is enforced. All new surprises! Campers should bring water and lunch.

A series of tours that will leave campers able to identify the various plant species that grows in our New England landscape. From great big elms (Ulmus Americana) to club moss (Lycopodium sp.), we will emphasize species' function in the environment as well as their use for human beings. Do you know which type of tree was preferred by certain Native American tribes to carve canoes? How about a flower that takes away bee stings? Can you tell if a species is native or if it was brought from another continent? And what are those spiky things that get stuck on the dog?? We will get good, fresh air while expanding our appreciation & familiarity with wild places. Each week will highlight one of Newtown's best hiking trails.

### PRIMITIVE SKILLS

An all-new camp aimed at teaching the skills that our ancestors used to make a living in the wild. We will learn to read animal tracks and make useful tools out of wood, stone and bones. Campers will experiment different ways to build a shelter and various methods for starting fires by friction! We will develop our ability to create useful crafts like cord, baskets, whistles and ornaments entirely out of found materials, and throughout the camp we will tune into our nature awareness by reading the landscape, identifying useful plants, telling stories and discussing topics like community, "the wild" and safety. Human beings have survived without cars supermarkets or electricity for millions of years, and they knew how to enjoy themselves without movies, phones or the internet. What lessons can these endangered people teach us, and which skills can we learn for ourselves? One might just find that answer to be: a lot!! Please meet in the parking lot of Eichler's Cove by the garage.

# NEWTOWN PARKS AND RECREATION DAY CAMP

A wonderful summer day camp awaits your child. Games, sports, field trips, arts & crafts and socialization are just a sampling of the good times to be had. We at Newtown Parks and Recreation would like all campers to have a memorable summer experience.

**CAMP HOURS** - The regular camp hours are Monday through Friday 9:00 am - 3:00 pm with drop off time beginning at 8:50 am and pick up promptly at 3:00 pm. Please respect the camp hours and make every effort to drop off and pick up your child on time. Early Drop Off is available starting at 8:00 am and Extended Stay until 6:00 pm sharp! If a parent/guardian is extremely late picking up their child, they will be charged a late fee of \$15.00 per day. This fee must be paid in the office the next day. If a parent/guardian is consistently late picking up their child, they will be asked not to bring their child/children back to camp. NO refunds are given for Early Drop Off or Extended Stay, therefore it is requested that careful consideration be given prior to registering. You must register for Extended Stay at the Parks and Recreation office 24 hours in advance, NO phone calls please! If you are picking your child up early, it is extremely important to send a note to the counselor. A child must have a note from a parent/guardian to be allowed to walk or bike home.

**RAINY DAY POLICY** - Camp will be held under the pavilion in the event of rain. The counselors have rainy day activities planned to keep their groups active and having fun. However, if there is lightning children should be picked up immediately! Extended Day parents must have alternative arrangements in the event of a storm. Refunds will not be given if camp or extended day is canceled. Please be sure to sign up for announcements/cancellations on our website [www.newtown-ct.gov](http://www.newtown-ct.gov). We will post the notification on our website if your child needs to be picked up. No phone calls will be made!

**WHAT SHOULD MY CAMPER BRING TO CAMP?** - Each day throughout the summer campers should bring the following things in a backpack: Lunch, swim suit, towel, water, drink, sunscreen, hat, fruit, snack and a smile on their face. Campers should wear sneakers everyday for safety reasons. This is an outdoor camp with many games involving running around. Please be sure to clearly mark all of your campers' personal belongings with first and last name, this includes towels, lunch bags, water bottles etc. If by chance your camper does lose something, there will be a lost and found located in the camp shed that you can check all summer long for lost items. Once camp is over lost and found items will be disposed of after two weeks.

If your child will be attending the PM extended day program until 6:00 pm, we encourage you to send them with a snack each day.

**THINGS NOT TO BRING TO CAMP!!!** - Campers are encouraged to keep personal items and valuables at home. NO video games, CD players, Ipods, MP3 players, cell phones, skateboards, trading cards or anything that is valuable. We cannot be responsible for these items, and it is easier if they were kept home. Additional items which are not permitted at camp are water guns, any sharp objects or weapons, gum or glass bottles.

**MEDICATION** - Please notify the Parks and Recreation Office, Site Directors and Counselors in writing if your child takes medication or has any allergies (i.e. food, bees, nuts, etc.) Counselors will not administer allergy shots, insulin, Epi Pens or medication of any kind. However, they will supervise any child that needs to self medicate. Please note that Counselors are not allowed to remove ticks. You will be contacted if a tick is found on your child during camp.

**BEHAVIOR** - If a counselor is experiencing a behavior problem with a child, the parents will be called in for a conference. If the problem continues, the parents will be asked to remove the child from camp. REFUNDS will not be given if a child is asked to leave camp.

**SUNSCREEN POLICY** - We ask that you apply the appropriate SPF sunscreen protection to your child/children before they head off to camp. Please include sunscreen protection with your camper's pack. We recommend that your child/children apply their sunscreen throughout the day. We will remind all campers to reapply their sunscreen. We will offer assistance or guidance with the sunscreen application. If your child/children forgets their sunscreen protection, we have 30 SPF sunscreen if needed. We don't recommend that our counselors apply sunscreen. If your child needs help in applying sunscreen, please speak with your child/children's counselor.

**LUNCH AND SNACKS** - We cannot stress enough the importance of keeping the children hydrated throughout the summer hot days. Please send your camper with plenty of liquids (especially water)! Also have campers bring their own lunch and snack every day labeled with their first and last name. We have refrigeration on site to store lunches. Campers should also pack plenty of snacks, especially if they are in the PM extended day program. We will have a snack machine and soda machine available for purchase on site.

**DROP OFF & PICK UP PROCEDURES** - As you will come to find out pick up and drop off time can become congested. It is important that you remain in your car while picking up or dropping off your child/children. Traffic becomes even more congested when people decide to leave their car in the middle of the lane. IF YOU PLAN ON GETTING OUT, please park in the parking spaces either by the tennis courts or by the pool and walk your child/children to his/her counselor. Your child's camp counselor will come to your vehicle to greet your child or bring your child to you. Please swiftly sign your child in/out and proceed in line towards the park exit. Please remember that the park is open to the general public while Summer Day Camp is in progress and traffic can be congested. Patience is required!

**DAILY SIGN IN & SIGN OUT POLICY** - Each day during the summer parents/guardians will be required to sign their child/children in and out of the camp program. The counselor's in your child's group will be required to have you sign in and out each day. If you going to have someone other than yourself pick up your child, you are required to fill out a permission form with the Site Director 24 hours in advance. Our staff will not let your child go home with anyone except yourself or any persons specified on your child's camp registration form unless it is in writing ahead of time. If you are going to have someone assist you in picking up your child/children please make sure you fill out a form with your child's counselor. We also ask for the person to show a picture ID before releasing your child/children.

**CAMP RULES** - Treat fellow campers and counselors with respect. You must listen to your counselor at all times. Keep your hands to yourself. No kicking, biting, hitting, throwing objects. If you should have a problem tell your counselors immediately. Stay with your group at all times. Swearing and other inappropriate language is not allowed in camp. Clean up after yourself. Pick up any trash and make sure you clean your table after lunch. RESPECT other people's property. This means no touching or taking other items or food that does not belong to you. Fighting is not allowed at camp and is grounds for suspension from the program (no refunds will be given). Leave all personal items at home. No toys, radios, gum, electronic games, etc. (Anything lost, stolen or broken is not the responsibility of the camp, leave valuables at home.) DO NOT bring any glass, sharp or potentially dangerous objects to camp! SAFETY FIRST. RULES ARE MADE FOR THE SAFETY OF THE GROUP. HAVE FUN!  
Questions or concerns should be brought to the attention of the site Director immediately. Do not hesitate to contact us.

⇒ Each child will receive a camper T-shirt, which must be worn on all field trips. This allows for easier identification of our groups when in large crowds. Children enrolled in more than one session will receive two shirts.

⇒ Transportation to and from the program is the responsibility of the parents.

⇒ Swim Lessons will only be given at Treadwell Park, weather permitting. Water slide will be at Dickinson Park three times a week.

Please shower before entering pool.

⇒ The Summer Day Camp is for Newtown residents only. It is available to children 4 years old. Please send a stamped, self-addressed envelope if you wish to have the birth certificate returned.

**REFUND POLICY FOR DAY CAMP:** Refunds, less a \$10.00 refund fee, will be given if notification is received in the office one week prior to the start of a session. Once the session starts, **NO** refunds will be given. Therefore, it is requested that careful consideration be given prior to registering for day camp.
