SKYHAWKS S.N.A.G. GOLF

(Starting New at Golf) One of our most popular programs, Skyhawks Golf focuses on building the confidence of young athletes through proper technique and refining the essential skills of the game. As we know, golf is a challenging and lifelong sport, so young athletes need proper focus on the fundamentals of form, swinging, putting, and body positioning. To assist in this training, Skyhawks has adopted the S.N.A.G (Starting New at Golf) system to its curriculum. Developed by PGA professionals, S.N.A.G is specifically designed for the entry level player; S.N.A.G simplifies instruction so that young players can make an easy & effective transition onto the golf course. No need to bring your own clubs, all equipment is provided. For safety reasons we utilize special helmets for all campers and keep the instructor to camper ratio for this program very low, resulting in limited availability. As a result these programs fill up quickly.

GOLF QUEST GOLF

SHORT GAME SCHOOL GOLF

The short game makes up at least 60 to 70 percent of the shots in a given round of golf. Yet most people spend very little time practicing their short game or learning proper technique. This program will include work with pitch shorts (full, partial, lob or flop shots, uneven lies), sand play (greenside bunker shots, medium and long bunker shorts, uneven lies, firm v. soft sand, different club selection, buried lies and fried eggs) and more. The Golf Quest facility has a large putting green with chipping areas, a pitching green with both artificial and natural grass hitting areas, a greenside bunker and a fairway bunker. The newly constructed natural grass hitting area is ideal for practicing pitch shorts from fairway lies, from the deep rough, as well as a variety of uphill, downhill, and side hill lies. There is a maximum of 6 people per class so that students will receive more individual attention.

CAMP DAGORHIR

Come spend a week playing Dagorhir, a fun, safe, action-packed game reminiscent to the battles of medieval Europe and Tolkien's Middle Earth. Dagorhir was founded over thirty years by a bunch of college friends, and has now spread across the entire country with thousands of participants. Dagorhir is athletically challenging, teaching it's participants sportsmanship and honor in an environment that fosters healthy competition and team spirit. One does not have to be an athlete to enjoy Dagorhir however, there is an essential place on the field for every type of player. It is an exciting form of exercise and a good opportunity to improve coordination and awareness. Unlike some other sports, Dagorhir challenges ones creativity and imagination as well. Campers will get to make their own personal equipment and have an opportunity to fight in real medieval armor. If they choose, they may develop a unique character to portray on and off the field. They will be exposed to historical information and crafts as they build accessories to help them more fully enjoy the game. All equipment is well padded for safety, and always inspected before use. Dagorhir's rules will be strictly enforced, outling safe conduct for all participants. Campers should bring water and lunch.

SPECIALTY PROGRAMS

Broadway Bound/Scrapbooking/Computertots

BROADWAY BOUND

Broadway Bound will offer a three week workshop teaching communications skills to students ages 8 through 15 via the performing arts: acting, voice and movement. Students will participate in daily classes in each of the three disciplines and then apply their newly acquired knowledge to scenes, songs, production numbers, improvisation and theatre games. Every student participates at all times. The workshop culminates in a showcase presentation for parents and friends. Broadway Bound was created by Kate Katcher in 2003 when she was Education Director of ARTSport, an arts collaborative that managed the Klein Memorial Auditorium and Playhouse on the Green in Bridgeport, CT. It had five successful years in those venues. In 2007, the Playhouse became a community theater and the Klein hired FTC of Fairfield to manage the venue. Each of those venues had it's own programs. Broadway Bound moved to the Black Rock Arts Center and was in residence there until the Center closed in December. The Broadway Bound Showcase was performed at the Barnum Museum. Performances will be given at the outdoor concert stage at Dickinson Park. The program will move from the classrooms to Dickinson Park for the last three days of each session. The final showcase is presented early in the evening of the final Thursday or Friday.

Please be sure to clearly mark all of your campers' personal belongings with first and last name, this includes towels, lunch bags, water bottles etc. If by chance your camper does lose something, there will be a lost and found located in the camp shed that you can check all summer long for lost items. Once camp is over lost and found items will be disposed of after two weeks.

If your child will be attending the PM extended day program until 6:00 pm, we encourage you to send them with a snack each day.

THINGS NOT TO BRING TO CAMP!!! - Campers are encouraged to keep personal items and valuables at home. NO video games, CD players, Ipods, MP3 players, cell phones, skateboards, trading cards or anything that is valuable. We cannot be responsible for these items, and it is easier if they were kept home. Additional items which are not permitted at camp are water guns, any sharp objects or weapons, gum or glass bottles.

MEDICATION - Please notify the Parks and Recreation Office, Site Directors and Counselors in writing if your child takes medication or has any allergies (i.e. food, bees, nuts, etc.) Counselors will not administer allergy shots, insulin, Epi Pens or medication of any kind. However, they will supervise any child that needs to self medicate. Please note that Counselors are not allowed to remove ticks. You will be contacted if a tick is found on your child during camp.

BEHAVIOR - If a counselor is experiencing a behavior problem with a child, the parents will be called in for a conference. If the problem continues, the parents will be asked to remove the child from camp. REFUNDS will not be given if a child is asked to leave camp.

SUNSCREEN POLICY - We ask that you apply the appropriate SPF sunscreen protection to your child/children before they head off to camp. Please include sunscreen protection with your camper's pack. We recommend that your child/children apply their sunscreen throughout the day. We will remind all campers to reapply their sunscreen. We will offer assistance or guidance with the sunscreen application. If your child/children forgets their sunscreen protection, we have 30 SPF sunscreen if needed. We don't recommend that our counselors apply sunscreen. If your child needs help in applying sunscreen, please speak with your child/children's counselor.

LUNCH AND SNACKS - We cannot stress enough the importance of keeping the children hydrated throughout the summer hot days. Please send your camper with plenty of liquids (especially water)! Also have campers bring their own lunch and snack every day labeled with their first and last name. We have refrigeration on site to store lunches. Campers should also pack plenty of snacks, especially if they are in the PM extended day program. We will have a snack machine and soda machine available for purchase on site.

DROP OFF & PICK UP PROCEDURES - As you will come to find out pick up and drop off time can become congested. It is important that you remain in your car while picking up or dropping off your child/children. Traffic becomes even more congested when people decide to leave their car in the middle of the lane. IF YOU PLAN ON GETTING OUT, please park in the parking spaces either by the tennis courts or by the pool and walk your child/children to his/her counselor. Your child's camp counselor will come to your vehicle to greet your child or bring your child to you. Please swiftly sign your child in/out and proceed in line towards the park exit. Please remember that the park is open to the general public while Summer Day Camp is in progress and traffic can be congested. Patience is required!

DAILY SIGN IN & SIGN OUT POLICY - Each day during the summer parents/guardians will be required to sign their child/children in and out of the camp program. The counselor's in your child's group will be required to have you sign in and out each day. If you going to have someone other than yourself pick up your child, you are required to fill out a permission form with the Site Director 24 hours in advance. Our staff will not let your child go home with anyone except yourself or any persons specified on your child's camp registration form unless it is in writing ahead of time. If you are going to have someone assist you in picking up your child/children please make sure you fill out a form with your child's counselor. We also ask for the person to show a picture ID before releasing your child/children.

CAMP RULES - Treat fellow campers and counselors with respect. You must listen to your counselor at all times. Keep your hands to yourself. No kicking, biting, hitting, throwing objects... If you should have a problem tell your counselors immediately. Stay with your group at all times. Swearing and other inappropriate language is not allowed in camp. Clean up after yourself. Pick up any trash and make sure you clean your table after lunch. RESPECT other people's property. This means no touching or taking other items or food that does not belong to you. Fighting is not allowed at camp and is grounds for suspension from the program (no refunds will be given). Leave all personal items at home. No toys, radios, gum, electronic games, etc. (Anything lost, stolen or broken is not the responsibility of the camp, leave valuables at home.) DO NOT bring any glass, sharp or potentially dangerous objects to camp! SAFETY FIRST. RULES ARE MADE FOR THE SAFETY OF THE GROUP. HAVE FUN!

- ⇒ Each child will receive a camper T-shirt, which must be worn on all field trips. This allows for easier identification of our groups when in large crowds. Children enrolled in more than one session will receive two shirts.
- ⇒ Transportation to and from the program is the responsibility of the parents.
- ⇒ Swim Lessons will only be given at Treadwell Park, weather permitting. Water slide will be at Dickinson Park three times a week.
- ⇒ The Summer Day Camp is for Newtown residents only. It is available to children 4 years old. Please send a stamped, self-addressed envelope if you wish to have the birth certificate returned.

REFUND POLICY FOR DAY CAMP: Refunds, less a \$10.00 refund fee, will be given if notification is received in the office one week prior to the start of a session. Once the session starts, **NO** refunds will be given. Therefore, it is requested that careful consideration be given prior to registering for day camp.

DICKINSON DAY CAMP
