Refunds for cancellations made within one week prior to the start of a program are issued, but a \$10 processing fee will be charged.

# Martial Arts Programs

## Aikido/Women's Self Defense/Karate

### AIKIDO

Aikido is a gentle martial art that can be experienced and enjoyed by the whole family. The grace and power of Aikido comes from using the attacker's force to throw him/her with minimal effort. The Aikido principles of balance, blending and non-resistance teach students to seek creative alternatives to conflict, both physical and verbal. By training in a supportive, non-competitive atmosphere, students will learn and experience: Useful physical skills such as rolling and falling safely; Creative conflict resolution, body awareness and practical self-defense skills; Enhanced coordination of mind and body; Improved balance and coordination; Increased self-confidence and self-discipline, while having fun along the way. In a world increasingly filled with stress and conflict, the lessons of Aikido are useful tools for both children and adults. We are associated with Berkshire Hills Aikido in Great Barrington, MA. Adults and children 10 years or older are invited to experience this special art form. For more information please call (203)-364-1380.
