UNFINISHED BUSINESS

Fall Walk on Al's Trail- Walk in October will have a handful of people to talk about highlights of the trail like history, trout fishing, and future plans for Al's trail. People noted that there are/will be breweries at each end of the trail. We will see if we can get coupons for attendees.

Mark will talk to Reverie Brewery.

It is not a long walk so people can do a down and back walk, but board members park at both ends to drive others if needed.

NEW BUSINESS

- Trail for Robin's Hill is open and marked. There are about 12 trees across the trail that need to be cleared.
- Access to Workplace will be limited to board members and government advisors
- We should look at next Al's trail project. Plan a time to meet with Peter and walk Knott's Preserve.
- We will not meet in August.
- Gavin will reach out to Rob Sibley about coming to the September 18 meeting to talk about the closure of the Bachelder.
