Hi

We voted on the 2022 schedule back in October, I have attached that doc. Not sure why you don't have it yet.

Jan is not on it because we don't meet until Feb.

I only had to change this meeting, there aren't any posted after December because they weren't on the meeting schedule for 2021,

as is the suggestion to follow the 30 day meeting notice requirement for January. etc etc.

So this meeting is at 730 tomorrow.

Please include time date and place when you send the 2022 dates--and include Jan 2023.

Thanks

Renee

Well, If subsequent meetings are at the proper time, 7:00, then the website will be incorrect moving forward if you change it to 7:30 now.
