OLD BUSINESS REPORT

Discussion and possible action

1. Board of Selectmen FY 201-2020 budget

- **Police:** Chief Viadero presented the police budget (att.) noting the increase is 1.6%, \$113,036, the majority is contributed to contractual obligations, salary and overtime. Two records positions were merged which created a savings in salary and benefits. The SSO program is administered through the Board of Education. Chief Viadero reported modest changes in various line items and talked about the three car per year replacement plan and the state bid process. The higher mileage vehicles are moved and used as a spare vehicle. The Ford Explorer is pursuit rated and equipped with electronic capacity; it suits the needs of the department. Relative to capital items Chief Viadero was able to obtain funding for traffic calming and a state grant/project at Glover and Queen Street will include new crosswalks, new signage and new painting. The Next Gen software is paid for; annual maintenance cost continue. When asked about the escalating cost of narcan, Chief Viadero said the narcan is supplied by the Newtown Volunteer Ambulance Association. Additionally, there is funding available for replacement.
- **Parks & Recreation:** Amy Mangold, Carl Samuelson and Ed Marks presented the Parks & Recreation budget (att.). A position previously funded by a grant will be paid out of the budget. Contractual service and grounds maintenance has increased 4-5% over the years while the budget reflected only 2%. This increase is to catch up. Edgework consulting camp training helps to create the best camp experience. Mr. Tait explained overall retirement increased 6.8%. New employees are on a 401(a) plan and 5% of salary must be added; Parks & Recreation have some new employees. Lawn contracts will be rebid in the fall. The aquatics director position will be responsible for Eichlers Cove, Treadwell and the Community Center. Ms. Mangold wanted to request a recreation supervisor in the past two years but recognizes this is not the time, economically, for that request. Ms. Mangold stated she and Matt Ariniello, Community Center Director have been filling in at the Senior Center, along with Anna Tiedemann. It has given insight to how they will co-exist in the community center; Ms. Mangold and Mr. Ariniello work very well together. Ms. Mangold doesn't anticipate a drop off of Treadwell pool users once the community center

Board of Selectmen

opens because Treadwell is outdoors and the community center will have programming that Treadwell does not have due to day camp and families recreating. Mr. Marks stated the capital request is the first significant increase in three years. He is pleased the needed vehicle stayed in the budget and hopes for a long term solution for vehicles. First Selectman Rosenthal believes an internal lease is an effective way to spread the cost over five years. Mr. Samuelson stated the last additional vehicle was purchased in 2009. The staff has grown. The main reason for the vehicle is staff efficiency. There is 28% downtime on the fleet. Tilson field will be replaced next year; NHS the following year. Tilson field is a nationally bid contract.

ACCOUNT DETAIL

Salaries & Wages – Full Time

The Chief of Police, Captain and the chief's executive assistant are non union positions. The Police Chief & Captain's salaries are set by the First Selectman and Board of Selectman under language provided in the Town Charter Section 4-40. The Board of Police Commissioners by Town Charter Section 2-160 appoints the Chief of Police and the Captain. The salary of the Police Chief and Captain is discussed as part of the contract between the Town of Newtown and Chief of Police.

The Newtown Police Union represents all sworn officers except for the police chief and captain. A 2.50% salary increase is reflected in the current contract for 2019-20. The additional increases are due to contractual step increases built in within the salary structure of the sworn staff. Any offsetting decreases are due to turnover and the resulting lower salary step.

The Civilian Personnel represented by Nutmeg Independent Public Safety Employees, NIPSEU are comprised of the following employees reflected in this budget cycle: Recorders Manager, Administrative Assistant, all receiving a 2.25% increase attributed to contractual agreements. The Chief's Executive Assistant is a non-union position and a 2.25% increase is reflected in this budget.

One clerical position was eliminated during this budget year and successful negotiations resulted in the merger of two clerical positions into one Records Manager position. This merger of positions effectively resulted in the civilian record clerical staff being reduced by 50%, while streamlining the work flow of that unit.

DEPARTMENT: POLICE

Police Vehicles: Since 2012, the Department had begun the process of replacing the standard issue Ford Crown Victoria front line patrol vehicle. Standardization is truly important and warranted as a best practice in the industry. Since 2012, the department began to purchase AWD Police rated utility patrol vehicles. Quotes from the State Bid list and suppliers have estimated the cost at \$29,718. per/vehicle, this amount has fluctuated due to the manufacturer ceasing production for model year 2019/20 caused by a model upgrade/change for 2020. Municipalities will be competing for 2018 and 2019 model year inventory available from distributors. Modifications and additional equipment add \$13,500 to the base price of the patrol vehicle. Due to price increases and substantial change-over costs, the cost for vehicle replacement is approximately \$43,218 per/vehicle. Trade-in amounts are hard to forecast, it is anticipated \$1,000 per/vehicle trade-in allowance which will offset cost , this will be the last trade-in of the Crown Victoria inventory in the fleet. Therefore the requested amount for FY 19-20 is (3 vehicles x \$43,218 = \$129,654, less negotiated trade-in = \$126,654).

See page 301 for a police vehicle inventory.

Police Equipment: Account funds initiatives for our school personnel and small disposable equipment for the department. Some of the equipment purchased is traffic cones, flares, crime scene materials, first aid supplies, hazmat supplies, safety brochures, intoximeter supplies, radar maintenance and supplies, crime prevention materials and professional development manuals. It also funds community programs such as Triad, Citizen's Police Academies, Student Police Academies, Crime Prevention initiatives, and drug prevention initiatives.

Grounds Maintenance:

This includes the maintenance of Dickinson and Treadwell Parks, Orchard Hill Nature Center, Lake Lillinonah Park and Eichler's Cove, maintenance of 40+ athletic fields, school fields and other Town Parcels. Sports are playing two/three seasons per year (in some cases four seasons). Parks and Recreation special event space lining and set up at Fairfield Hills for delineated parking.

The need to increase funds for trail maintenance is rising as we are growing our relationship with the Land Use Agency for a cooperative effort on expanding our trails along with collaborating with the Newtown Trail Committee. We did not address these needs this budget season in an effort to keep costs down.

We are also working to use less toxic pesticides on town property to protect the waterways and the Protect our Pollinators organization's to support positive environmental expectations and changes.
