\$100.00 BE DONATED TO THE PARADE COMMITTEE. SECOND BY MS. BLOOM. ALL IN FAVOR. MOTION PASSES. (8-0)

Ms. Wiedemann sent the form to Newtown High School for the Borrow My Glasses program. The new dates are October 27 and November 3 in the Lecture Hall at Newtown High School, from 10 am – 12 noon. The subject is Alzheimer's - October 27 is titled "If I See Something, Do I have to Say or Do Something." November 3 is titled "Successful Communication Given Alzheimer's Logic." It is important to publicize these sessions, work on flyers for publicity.

Regarding the newsletter, Bob Tait said to get 3 quotes. There is a quote from the one company, with a cost of \$0, the company specializes in this type of service, and it is required to obtain other quotes from printers. The subcommittee will seek quotes in coordination with Ms. Place. Mr. Guidera asked about process for sole providers and if there is an exception to the quote process. Mr. Symes explained that this was brought up once before and need to qualify the process. Mr. Guidera said that though we need to abide by rules, this scenario was not contemplated by charter revision commission. Considering that the cost is \$0, the necessity of 3 bids is questioned, especially when no one does this exact type of service, bids will not really be comparable. Mr. Rosenthal said this is a purchasing policy set by the Council. Ms. Wiedemann said it is important to follow due diligence.

VICE CHAIR REPORT: Mr. Guidera reported that it is necessary to move the newsletter ahead and spoke to programming. The earliest date for the newsletter would be in December, the newsletter would help to promote the new Senior Center, build momentum, include programming. Mr. Guidera referred to cards used in Darien to welcome people to "senior citizen-hood," visit the Senior Center. This type of effort should take place before the new Senior Center opens. Ms. Wiedemann said the next programming subcommittee meeting will be Friday, September 7 at 4:00 at the Newtown Municipal Center, Council Chambers and encouraged COA to attend. Mr. Boccuzzi suggested to look at National Council On Aging website for programming ideas. Aquatics for Arthritis, Arthritis Foundation, possible funder of a grant. Ms. Rothstein suggested an insert in the Guide to get the word out about programming ahead of the newsletter. Ms. Ryles spoke to a concern of use of different types of advertisers and to insure integrity is upheld. Susan Gostissa may be able to provide insight.

DIRECTOR OF SENIOR SERVICES: Ms. Place distributed the monthly report. (ATTACHMENT) Ms. Place highlighted the upcoming Lunch and Learn on the new Community Center/Senior Center, there will be PowerPoint presentation hosted by Ms. Place and Matt Arinello, the new director of the Community Center. She could use some help on Friday and suggested for COA to come around 11:30. The Annual Picnic was a success; flu shot clinics start in September; key fobs are being distributed, reports can now be generated with true numbers. Mr. Symes referred to feedback for more fun programs and the Age Friendly Livable Communities – What's Happening in Newtown for Seniors and their families, could be used as a means to get the word out to the larger senior community in Newtown. Annual fees will be reviewed by department heads – Ms. Place and Mr. Arinello. Attend subcommittee meetings, provide feedback, continue the conversation. Mr. Rosenthal added that all factors and options will be considered and discussed. Coordination is underway to insure a robust membership.

Ms. Place recognized and congratulated Officer Maryhelen McCarthy who was selected by the Agency On Aging of South Central Connecticut to receive a Stop Ageism Now outstanding achievement award.

DIRECTOR OF SOCIAL SERVICES: Ms. LoBosco distributed the Director of Social Services report. (ATTACHMENT) Ms. LoBosco highlighted the Energy Assistance applications, holiday baskets, grant for laptop and printer for the office to facilitate access to state applications. Since Nunnawauk

COA Chair Report for August

I would like to have a motion made to make a donation to the Labor Day Parade. I have the two yellow signs Mae made last year. We need to discuss at the meeting who will be marching/riding in the parade. I did fill out the form, but I am marching with the VNA so I will be unable to march with the Senior Center. I am hoping perhaps other seniors would want to join in as well and have a great showing – either by walking or riding in a car.

I have contacted several bakeries and stores regarding the Bread program coming back to the Senior Center. Larry checked with Big Y who said they are committed to the Food Bank. I got a yes from the Cheese Bread Factory (who does gluten free products), Panificio Navona who not only agreed, but will deliver. I went to D'Orazio Sisters who are closed until Tuesday (I will go again) and then Stop and Shop and was told the manager I need to speak to will be back Tuesday, so I will go there after D'Orazio Sisters. I mailed Caraluzzi the form necessary and await a response. Deere Street Bakery closed. We need more discussion on this with the Director and the COA because we will need volunteers.

It's been a quiet month – we will gear up again with the Programming Sub-Committee on Friday, September 7 at the Municipal Center at 4pm.

We will have a brief overview of the Livable Community from John Boccuzzi. They are presenting to the BOS and wanted to share information with us.

There is a Lunch and Learn on Friday, August 31 at noon at the Senior Center to hear about the latest updates regarding the new Senior Center. I hope many of you plan on attending.

Enjoy the beautiful weather, Anna

DIRECTOR OF SOCIAL SERVICES/MUNICIPAL AGENT FOR THE ELDERLY

August 2018

Program Statistics

Energy Assistance Applications – 2017-2018 (181 applications – total expenditure \$124,537.25)

Food Pantry (56 individuals/families visit weekly – 39 Senior/Disabled = 69%)

Operation Fuel (Summer/Fall) – (5 applications – total \$1,964.81)

Salvation Army – (41 applications to date - \$13,534.54 total – 19 Senior/Disabled = 46%)

Renter's Rebate for 2017 – 57 applications to date

- Energy Assistance will begin on September 4, 2018. We attended training on 8/14/18 and CAAWC has put things in place that hopefully will eliminate any delays in processing applications this year.
- Since Nunnawauk Meadows will not be applying for the Small Cities Grant this year, we are applying for the Housing Rehab Grant. This grant ties in with the Livable Community Initiative in the sense that we can help seniors stay in their homes safely by providing funds to repair/replace items such as roofs, furnaces, septic systems, windows, etc. Working with Christal Preszler on announcing the RFP to retain a Small Cities Consultant to assist in the process.
- Applied for and received a grant through Operation Fuel for a laptop that I will be able to use when out on home visits or when spending time at Nunnawauk Meadows and the Senior Center.
- We will start collecting Thanksgiving and Holiday Basket applications as clients complete their fuel assistance eligibility.
