Mr. Rosenthal called the meeting to order at 6:00 PM.

Mr. Rosenthal gave members a brief introduction to their duties and the history of the Fairfield Hills Campus. He asked members to think about community involvement and outreach to form their perspective of what the Master Plan should emphasize. After asking members to introduce themselves, he turned the meeting over to Mr. Benson.

Mr. Benson gave members a bulleted list (attached) of the typical proceedings for the Master Plan Review, which encompasses the Board of Selectmen, the Fairfield Hills Master Plan Review Committee, Planning and Zoning, and the Fairfield Hills Master Plan Amendment Work Group. He noted that the website for Fairfield Hills is fairfieldhills.org, separate from the Town website. Ms. Zukowski was on the Review Committee previously and offered some perspective and previous strategies. The Land Use Agency will provide members with information from previous Master Plan reviews to help jumpstart their discussions.

A second meeting date has not yet been decided.

Fairfield Hills Master Plan Review

- The Board of Selectmen form a Master Plan Review Committee every 5 years
- Fairfield Hills Master Plan Review Committee (MPRC), reviews the Master Plan and submits a final report to the Selectmen
- Selectmen refer the MPRC Report to the Planning and Zoning Commission (PZ)
- PZ form a Fairfield Hills Master Plan Amendment Working Group (WG) to incorporate recommendations and propose amendments to the Master Plan
- The WG then submits the proposed amended Master Plan to PZ for a vote
- Once the amended Master Plan is accepted, the PZ can then propose amendments to the Fairfield Hills Adaptive Reuse Zone (FHAR) in the Newtown Zoning Regulations to reflect the changes to the Master Plan
