Draft Vision Statement

2014: The goal of the Town of Newtown is to protect and enhance its picturesque, rural, historic New England setting and attributes. The architecture and landscaping of all types of properties will be designed to protect the image of a rural and historic town. Over the next ten years various town agencies will work in concert to maintain a suitable variety of homes for its citizens taking into account varying lifestyles and economic capabilities while providing and developing equal recreational activities and facilities for all age groups. We will work together as a town to promote and protect open space, farmland and trails throughout the town always maintaining an environmentally active position protecting our aquifers, wetlands and other ecologically sensitive areas. Education for Newtown's children will continue to excel in quality and efficiency. Newtown will succeed in attracting commercial businesses at a rate equal to its growth and the design of the town's roads and traffic patterns will enhance business development while minimizing traffic congestion for the residents. Fairfield Hills will evolve to a vibrant area that provides facilities to serve municipal government, recreational activities, community and cultural arts, and commercial activities while still maintaining open space.

Proposed: Newtown is committed to promoting environmental conservation, sustainable development, and community connectivity; this future includes interconnected trails and open spaces, strengthened safeguards for natural habitats and resources, upgraded transportation networks to enhance safety and reduce congestion, the provision of diverse housing options, and the development of community hubs like Fairfield Hills; the Town will foster economic growth through thoughtful redevelopment of existing areas while maintaining its historic charm and ecological integrity.

Draft POCD Goals: Housing

Existing (2014) Goals:

- Strive for a more balanced supply of housing types that will accommodate the housing needs of Newtown residents and those working in Newtown.
- Manage residential development to enhance Newtown's present community character.

Proposed Goals:

- Expand options for senior housing to support residents aging in place.
- Encourage a more diverse supply of housing types to accommodate the housing needs of young adults and municipal employees.
- Investigate options to provide additional emergency housing for Newtown residents.
