## Newtown Superintendent Search Invitation to participate in a Survey

The Newtown Board of Education invites and encourages members of the school and broader community to participate in the search process for a new Superintendent of Schools.

The Board has contracted with a search consultant who will conduct a survey in early- to mid-May. The purpose is to gauge the community's perspectives on the qualities, experiences, and characteristics desired in a new superintendent. We encourage students, teachers, administrators, staff, parents, town officials, and community members to participate.

Feedback from the survey and other data will be incorporated into a leadership profile that will guide the Newtown Search Committee in identifying high-quality candidates who best fit the needs of the Newtown Public Schools. "We encourage the community to be a part of this important process and look forward to incorporating the results of their participation into the Search Committee's work," said Alison Plante, Chair of the Newtown Board of Education.
