These Minutes are subject to Approval by the Inland Wetland Commission

Present: Sharon Salling, Mike McCabe, Suzanne Guidera

Staff Present: Steve Hnatuk, Land Use Officer, Dawn Fried, Clerk

Ms. Salling opened the meeting at 7:31 p.m.

Pending Application

Application IW #20-20 by Donna and Roger Ball, property located at 20 Saw Mill Road for pond dredging.

Ms. Salling began the meeting by stating there would not be a quorum and therefore no vote. The Commission will hold a Special Meeting next week to vote on the application, the date and time to be determined.

Ms. Salling asked the Commissioners if they had any questions for the applicant.

Mr. McCabe stated that he was satisfied with the alternate location for the dredged materials as long as there were no wetlands.

Mr. Hnatuk confirmed the new location was not a wetland area.

Mr. McCabe stated his only concern had been the location of the dredged materials. Now that there is an alternative location he is onboard.

Ms. Guidera and Ms. Salling concurred with Mr. McCabe and stated that as long as the outstanding issues are resolved they too are onboard.

Ms. Salling stated they will defer the vote to the Special Meeting next week.

Ms. Salling thanked Ms. Ball for the property owner's permission of the materials.

Due to no quorum the Commission requested a continuation of Application IW #20-20.
