Treasurer's Report:

Bill May, Treasurer, presented account balances, with cash on hand equaling \$127,020.14. All of the 2021 bills have been paid.

The 2023 budget was submitted at \$117,132, which is budgeted at \$8,700 less than the 2021 proposed budget, and \$12,300 more than the actual 2021 expenses. The variance in expenses is due to savings from switching the insurance provider, combined with rising expenses for boat fuel, law enforcement, and weed treatment.

A motion to accept the 2023 budget was made by Mark Saksa, seconded by Barbara McWilliams; the motion was passed unanimously.

The cost for LZA identification cards for commissioners and marine patrol drivers was determined to be inexpensive.

A motion to accept the Treasurer's Report was made by Barbara McWilliams, seconded by Dick Speer; the motion was passed unanimously.

Marine Patrol Report:

Marine Patrol Coordinator Dan Semosky reported that on December 5, 2021, a hiker was injured in the southern Paugussett state forest below Jackson Cove on Grey Quarter Rd in Newtown, and the Newtown Underwater Search and Rescue (NUSAR) team responded to assist the Newtown fire and EMS departments. The LZA was not summoned.

Publicity/ Public Awareness:

Lesley Pires reported that the LZA website has been updated and is in good working order.

Water Quality / Grants Report:

FirstLight has recently distributed the emergency management plans for Candlewood Lake, power plant, Lake Lillinonah, and Stevenson Damn watershed areas.

None.

Grants:

Barbara McWilliams reported that the planned application to the 2022 CT DEEP Nonpoint Source 319 grant request was not submitted. The LZA does not have the resources to complete this application process. Barbara is applying for the Summer Life Jacket Grant. The life jackets will permanently stored in a lock box, with a short supply stored on the patrol boats. They will be loaned out to lake patrons in need, with return required. The life jackets will be sanitized upon return. Dan Semosky suggested requesting 500 from the grant as it will help reduce law enforcement citations.

Unfinished Business:

Chairman Gary Fillion and Vice Chairman Jerry Kozera are continuing to work with the town of Newtown to secure identification cards for commissioners and marine patrol drivers.

New Business

None.
