A motion was made, to accept Bill May as a Commission, by Gary Fillion, seconded by Bob Mouchantat, the motion was passed unanimously. We welcome the return of Mr. May to the LZA

Bob Mochantat – Treasurer, reported he attended a meeting with the Southbury Board of Finance. The BOF was pleased with our budget format and the fact we hold Reserve Funds for future needs. The Southbury BOF suggested the LZA have an official audit and review, even though there were no objections to our annual budgets and spending. Mr. Mouchantat suggested we send a letter to the BOF suggesting our annual financial statements act as adequate documentation. Quotes for both an audit and financial review quickly approached the \$7,000 to \$10,000 range. The LZA feels this type of spending would be financial irresponsible as it would be nearly 10% of our annual operating budget. It was also suggest that if the audit and review be absolutely required the cost of such be differed to the Town Of Southbury who is requiring both.

A motion was made by Ed Kusinski to contact the Town Of Southbury Board of Finance with the propose letter, Seconded by Herb Garber, the motion was passed unanimously.
