Your tentative award amount is **\$50,000 for Summer 2023 and \$50,000 for Summer 2024**, consistent with the guidelines of the grant's request for this application, and designed to support your program at **Newtown Community Center** in accomplishing the goals outlined in your application narrative.

Summer Enrichment Orientation Webinar + Survey

The next step to access grant funds will be to ensure that your organization is set up in Connecticut's Electronic Grants Management System (eGMS). **The CSDE will be hosting a mandatory Summer Enrichment Orientation Webinar for all grantees to discuss financial and data collection processes.** This will be held on Monday, June 5th from 1:00 – 2:30PM. You will not be able to access grant funds without setting up an eGMS account, loading your budget and other grant information, and submitting required financial expenditures. Additionally, each program will be required to collect and submit student-level data on each student attending their program this summer, and this will be discussed in further detail during the Orientation. Each organization is required to have one person attend this training. Please register using [this link](#).

Note that the timeline for accessing your funds can take up to a few months, and funding will only be available on a reimbursement basis. As a first step to creating your accounts in eGMS, please complete this [short survey](#) no later than June 5th, 2023.

CTREAP

Your program may have requested funding in your budget for a [CTREAP account](#), which connects educational professionals and staff to job openings across Connecticut. As a next step to purchasing your account, please complete this [brief registration form](#). A representative from CTREAP will be touch.

Again, congratulations and thank you for your interest in the Summer Enrichment Grant program. We are thrilled to be supporting your program over the next two years and cannot wait to see the incredible experiences Connecticut children will encounter at your camp.

If you have any questions, please email us directly at SDE.SummerEnrichment@ct.gov.

Re: The Transfer of Uncollectible Motor Vehicle, Personal Property and Real Estate Tax Accounts to the Suspense Tax List for your consideration and approval.

The Connecticut State Statutes require that at least once a year the Tax Collector of each municipality shall deliver to the Board of Finance or similar board a listing of all accounts that the Tax Collector believes to be uncollectible. These accounts are then transferred from the regular accounts-receivable to the Suspense Tax Book.

This transfer does not void the tax. If at any time in the future the Tax Collector is able to collect the taxes on the suspense tax list, she shall do so with all the usual interest charges.

The Tax office ceases to send out quarterly bills for these accounts, but in reference to the Motor Vehicle Suspense Accounts, those persons cannot register a car in the State of Connecticut until the taxes are paid to the Town of Newtown.

535 Motor Vehicle Accounts	\$	178,614.07
189 Personal Property Accounts	\$	132,919.27
11 Real Estate Accounts	\$	7,026.03
