MINUTES: <u>Mr. Honan moved to accept the minutes of the May 19, 2021 Legislative Council Regular Meeting.</u> Seconded by Mr. Wiedemann. Mr. Smith abstained. Motion passes (9-0).

COMMUNICATIONS: Mr. Lundquist shared the approved CIP schedule. See attachment A.

COMMITTEE REPORTS:

Ordinance Committee – Mr. Knapp received language back from Attorney Grogins about the Community Center Commission. He recommends that the Ordinance Committee meet one more time before the next LC meeting so they can take action to send along to public hearing.

Joint BOF, BOE and LC Work Group - Ms. Reiss reported that they heard back from both attorneys who agreed that they should come up with a policy. She expressed that the scope of their conversations seems to be quite broad. Mr. Eide said the discussion at the last meeting was to focus on the purpose of the non-lapsing account, but nothing substantive has been done so far. Ultimately they need to work towards a process by August.

FIRST SELECTMAN'S REPORT: First Selectman Dan Rosenthal reported that Public Works is wrapping up much of the road work that had not been completed in the last season. They started chip sealing some roads late last week. The BOS will soon get the road list for next year which will be made public. In regards to the Edmond Town Hall Trust, we did get word from legal counsel that the probate court approved distribution of the trust which cannot be dissolved. The intended purpose of the trust was to support the maintenance of the Edmond Town Hall. The probate court agreed to distributions over the next two years at \$5,500 per year. This will allow them to address additional maintenance. Mr. Lundquist asked if the Borough has finished the re-zoning. The First Selectman replied that the Borough did approve a landmark building zone which permits the Edmond Town Hall to pursue more than just non-profit uses. There are additional changes they are trying to make with the legislature around their alcohol permit. The First Selectman also reported that the police made an arrest relative to some of the local Zoom bombings that had taken place, mostly through the school system. The Hayes case remains to be an open matter and this recent arrest is not associated with that. Mr. Knapp thanked the First Selectman for following through on the Edmond Town Hall trust allowing them to address some maintenance issues and have some flexibility with that. He also expressed gratitude for helping to close the loop on the Zoom bombings. Mr. Smith inquired whether there are any updates to where Kings Restaurant stands on rebuilding. First Selectman Rosenthal replied that it is his understanding that the owners are looking to clean up the site and rebuild further back from the road, however, there is no formal application or more information as of yet.

NEW BUSINESS

Discussion and Possible Action

• RESOLUTION PROVIDING FOR A SPECIAL APPROPRIATION IN THE AMOUNT OF \$765,000 FOR THE REPLACEMENT OF THE NEWTOWN HIGH SCHOOL STADIUM TURF AS AUTHORIZED IN THE CAPITAL IMPROVEMENT PLAN (2021-22 TO 2025-26) AND AUTHORIZING THE ISSUANCE OF \$765,000 BONDS OF THE TOWN TO MEET SAID SPECIAL APPROPRIATION AND PENDING THE ISSUANCE THEREOF THE MAKING OF TEMPORARY BORROWINGS FOR SUCH PURPOSE

Ms. DeStefano moved the resolution providing for a special appropriation in the amount of \$765,000 for the replacement of the Newtown High School Stadium Turf as authorized in the Capital Improvement Plan (2021-22 to 2025-26) and authorizing the issuance of \$765,000 bonds of the Town to meet said special appropriation and pending the issuance thereof the making of temporary borrowings for such purpose and further moved to waive the reading of the full resolution. Seconded by Ms. Plante. All in favor. Motion passes (10-0).

Mr. Lundquist said they are ready to begin this project as soon as school is over and will take a few weeks to complete. The First Selectman added that in addition to the new turf, they will also be replacing their scoreboard which will be funded privately. Mr. Knapp asked why this particular BOE resolution is being done prior to the beginning of the fiscal year. Mr. Tait responded that as long as we get an appropriation, the process can begin immediately. Typically we don't go through this process until July, but we have started early on BOE projects. This does not change the bonding schedule. *See attachment B*.

• Acceptance of the Historic Documents Preservation Program Grant

Ms. DeStefano moved to accept the Historic Documents Preservation Program Grant. Seconded by Mr. Carroll.

Ms. DeStefano amended the motion to include the dollar amount. See attachment C.

Ms. DeStefano moved to accept the Historic Documents Preservation Program Grant in the amount of \$7,500. Seconded by Mr. Eide. All in favor. Motion passes (10-0).

• Approval of Tax Collector Suspense Listing

Ms. DeStefano moved to approve the Tax Collector Suspense Listing. Seconded by Ms. Reiss. All in favor. Motion passes (10-0).

Mr. Lundquist noted that this is a yearly requirement where the Town reviews their records and identifies tax bills that are deemed uncollectible. *See attachment D.* Mr. Tait explained that these accounts go to a suspense list. We do continue to pursue and collect the money but they are deemed uncollectable for various reasons. We do eventually collect about 20-30%. Ms. Reiss asked what the process is depending on type of bill or reasoning. Mr. Tait replied that the Tax Collector's office sends out letters multiple times, they are sent to a collection agency after some time, and after ten years they are designated uncollectible. Mr. Smith asked if certain people or businesses are delinquent, do they carry over to the following year. Mr. Tait said they do carry over but every ten years, they drop off. Mr. Tait indicated that this list does get passed around to Town departments so they can try not to conduct business with non-payers.

Discussion Only

• American Rescue Plan Stimulus Funds to Newtown

Mr. Tait shared the latest information he received on the American Rescue Plan dated May 14, 2021. See attachment E. The information from the State indicates Newtown was estimated at \$8.1 million with the school district estimated at \$1.1 million. Under the local fiscal recovery fund, based on new information received today, Newtown is getting \$7.6 million and the Borough is getting \$580,000. We have to apply for these funds by next Wednesday by 5pm. We will receive 50% now, and the remaining 50% will come in a year from now. There are six broad categories that we will be allowed to spend the money on. The State will provide more information on this. Mr. Tait will be doing a webinar to learn more about how we are able to spend it. Ms. Reiss asked if we have to give any remaining funds back. Mr. Tait noted that we will give back what we don't spend but we will have 3-4 years to spend it. The Federal Government had their own parameters of who got how much and how; the State had nothing to do with it. There will be a lot of reporting to the federal government over the course of the next few years. Mr. Lundquist commented that it may be a challenge to associate this with Covid relief. It feels like it will not be an easy process to put in a request for the funds and spend it on items like water and sewer. The First Selectman added that this has been a hot topic of conversation among elected officials. The challenge will be to evaluate and identify which projects could be considered. There is some concern about starting a project and then finding out that the government wouldn't allow it. He added that it was made clear that they wanted to make sure town's didn't cut their budgets and use revenue to do it. Mr. Wiedemann asked if we could put this towards infrastructure. Mr. Tait replied that we can use it under the revenue loss provision which would include infrastructure. The First Selectman commented that there is so much to decide. As we get final clarity on it, there are a lot of things that can qualify and have a positive impact. These are things we do not want to tax our residents on in the future and will require some consensus. Mr. Tait added that we have time to make these decisions.

RESOLUTION PROVIDING FOR A SPECIAL APPROPRIATION IN THE AMOUNT OF \$765,000 FOR THE REPLACEMENT OF THE NEWTOWN HIGH SCHOOL STADIUM TURF AS AUTHORIZED IN THE CAPITAL IMPROVEMENT PLAN (2021-22 TO 2025-26) AND AUTHORIZING THE ISSUANCE OF \$765,000 BONDS OF THE TOWN TO MEET SAID SPECIAL APPROPRIATION AND PENDING THE ISSUANCE THEREOF THE MAKING OF TEMPORARY BORROWINGS FOR SUCH PURPOSE

RESOLVED:

Section 1. The sum of \$765,000 is a special appropriation made pursuant to Chapter 6, Section 6-35 of the Town Charter of the Town of Newtown (the "Town") for the planning, design, engineering, construction and replacement of the Newtown High School stadium turf, all as authorized in the Capital Improvement Plan (2021-22 to 2025-26), and for administrative, financing, legal and costs of issuance related thereto (collectively, the "Project"), said appropriation to be inclusive of any and all State, Federal or other grants-in-aid thereof.

To meet said appropriation, \$765,000 bonds of the Town, or so much thereof as Section 2. shall be necessary for such purpose, shall be issued, maturing not later than the maximum maturity permitted by the General Statutes of the State of Connecticut, Revision of 1958, as amended from time to time (the "Connecticut General Statutes"). The bonds may be issued in one or more series as determined by the Financial Director, and the amount of bonds of each series to be issued shall be fixed by the Financial Director, in the amount necessary to meet the Town's share of the cost of the Project determined after considering the estimated amount of State and Federal grants-in-aid of the Project, or the actual amount thereof if this be ascertainable, and the anticipated times of the receipt of the proceeds thereof, provided that the total amount of bonds to be issued shall not be less than an amount which will provide funds sufficient with other funds available for such purpose to pay the principal of and the interest on all temporary borrowings in anticipation of the receipt of the proceeds of the bonds outstanding at the time of the issuance thereof, and to pay for the costs of issuance of such bonds. The bonds shall be in the denomination of \$1,000 or a whole multiple thereof, be issued in fully registered form, be executed in the name and on behalf of the Town by the facsimile or manual signatures of the First Selectman and the Financial Director, bear the Town seal or a facsimile thereof, be certified by a bank or trust company, which bank or trust company may be designated the registrar and transfer agent, be payable at a bank or trust company, and be approved as to their legality by Robinson & Cole LLP, Attorneys-at-Law, of Hartford, Connecticut. The bonds shall be general obligations of the Town and each of the bonds shall recite that every requirement of law relating to its issue has been duly complied with, that such bond is within every debt and other limit prescribed by law, and that the full faith and credit of the Town are pledged to the payment of the principal thereof and interest thereon. The aggregate principal amount of the bonds of each series to be issued, the annual installments of principal, redemption provisions, if any, the date, time of issue and sale and other terms, details and particulars of such bonds including approval of the rate or rates of interest shall be determined by the First Selectman and the Financial Director, in accordance with the Connecticut General Statutes.

Section 3. Said bonds shall be sold by the First Selectman and the Financial Director in a competitive offering and the bonds shall be sold at not less than par and accrued interest on the basis of the lowest net or true interest cost to the Town. To the extent required by the Charter of the Town of Newtown, bids shall be solicited from at least three lending institutions. A notice of sale or a summary thereof describing the bonds and setting forth the terms and conditions of the sale shall be published at least five days in advance of the sale in a recognized publication carrying municipal bond notices and devoted primarily to financial news and the subject of state and municipal bonds.

Section 4. The First Selectman and the Financial Director are authorized to make temporary borrowings in anticipation of the receipt of the proceeds of said bonds. Notes evidencing such borrowings shall be signed by the First Selectman and the Financial Director, have the seal of the Town affixed, be payable at a bank or trust company designated by the First Selectman, be approved as to their legality by Robinson & Cole LLP, Attorneys-at-Law, of Hartford, Connecticut, and be certified by a bank or trust company designated by the First Selectman pursuant to Section 7-373 of the Connecticut General Statutes. They shall be issued with maturity dates which comply with the provisions of the Connecticut General Statutes governing the issuance of such notes, as the same may be amended from time to time. The notes shall be general obligations of the Town and each of the notes shall recite that every requirement of law relating to its issue has been duly complied with, that such note is within every debt and other limit prescribed by law, and that the full faith and credit of the Town are pledged to the payment of the principal thereof and the interest thereon. The net interest cost on such notes, including renewals thereof, and the expense of preparing, issuing and marketing them, to the extent paid from the proceeds of such renewals or said bonds, shall be included as a cost of the Project. Upon the sale of the bonds, the proceeds thereof, to the extent required, shall be applied forthwith to the payment of the principal of and the interest on any such notes then outstanding or shall be deposited with a bank or trust company in trust for such purpose.

Section 5. The First Selectman is authorized in the name and on behalf of the Town to apply for and accept any and all Federal and State loans and/or grants-in-aid of the Project and is further authorized to expend said funds in accordance with the terms hereof and in connection therewith, to contract in the name of the Town with engineers, contractors and others.

Section 6. The Town hereby expresses its official intent pursuant to Section 1.150-2 of the Federal Income Tax Regulations, Title 26 (the "Regulations"), to reimburse expenditures paid sixty days prior to and any time after the date of passage of this resolution in the maximum amount and for the Project with the proceeds of bonds or bond anticipation notes or other obligations ("Tax-Exempt Obligations") authorized to be issued by the Town. The Tax-Exempt Obligations shall be issued to reimburse such expenditures not later than 18 months after the later of the date of the expenditure or the substantial completion of the Project, or such later date the Regulations may authorize. The Town hereby certifies that the intention to reimburse as expressed herein is based upon its reasonable expectations as of this date. The Financial Director or his designee is authorized to pay Project expenses in accordance herewith pending the issuance of Tax-Exempt Obligations, and to amend this declaration.

Section 7. The First Selectman and the Financial Director are hereby authorized, in the name and on behalf of the Town, to enter into agreements or otherwise covenant for the benefit of bondholders to provide information on an annual or other periodic basis to the Municipal Securities Rulemaking Board (the "MSRB") and to provide notices to the MSRB of material events as enumerated in Securities and Exchange Commission Exchange Act Rule 15c2-12, as amended, as may be necessary, appropriate or desirable to effect the sale of the bonds and notes authorized by this resolution. Any agreements or representations to provide information to the MSRB made prior hereto are hereby confirmed, ratified and approved.

Section 8. The First Selectman is hereby authorized, in the name and on behalf of the Town, to enter into any other agreements, instruments, documents and certificates, including tax and investment agreements, for the consummation of the transactions contemplated by this resolution.

Section 9. This resolution shall become effective upon its approval by the Legislative Council of the Town in accordance with Chapter 6, Section 6-35 of the Town Charter.

Re: The Transfer of Uncollectible Motor Vehicle, Personal Property and Real Estate Tax Accounts to the Suspense Tax List for your consideration and approval.

The Connecticut State Statutes require that at least once a year the Tax Collector of each municipality shall deliver to the Board of Finance or similar board a listing of all accounts that the Tax Collector believes to be uncollectible. These accounts are then transferred from the regular accounts-receivable to the Suspense Tax Book.

This transfer does not void the tax. If at any time in the future the Tax Collector is able to collect the taxes on the suspense tax list, she shall do so with all the usual interest charges.

The Tax office ceases to send out quarterly bills for these accounts, but in reference to the Motor Vehicle Suspense Accounts, those persons cannot register a car in the State of Connecticut until the taxes are paid to the Town of Newtown.

🖏 Water & Sewer Infrastructure

- Includes improvements to infrastructure, such as building or upgrading facilities and transmission, distribution, and storage systems

Educational Funding Guidelines

The American Rescue Plan is anticipated to appropriate Connecticut \$1,105,920 statewide for education purposes. Of the total amount, 90% (\$995 million) will be distributed to Local Education Agencies (LEAs) – school districts.

Among the remaining funds, the State will have to allocate:

- 5% (\$55,296) to address learning loss,
- 1% (\$11,059) for investing in evidence-based summer enrichment program, and another
- 1% (\$11,059) for "evidence-based comprehensive" afterschool programs.
- The State can use the remaining funds for administrative purposes.

The ARP allows LEA's to spend their funding on numerous activities, including:

- Hiring and retaining teachers and other school personnel,
- Purchasing computers and hot spot devices for online learning;
- Supporting the unique needs of underserved students, and foster and homeless youth;
- Training and professional development;
- Purchasing supplies for cleaning and sanitization;
- Carrying out IDEA requirements, including providing assistive technology or adaptive equipment to support students with disabilities;
- Summer learning; and
- Other activities to maintain the continuity of educational services, addressing learning loss, and school facility repairs etc.

The State will also be required to reserve funds at the state level for several purposes including (a) addressing learning loss, (b); and (c) for "evidence-based comprehensive" afterschool programs.
