It is difficult to get Encomb to respond. During the day patrons can use the properties for picnics without a fine. Patrons cannot cut down vegetation or have campfires. Night picnicking is prohibited. The last patrol on Friday and Saturday nights patrol these areas to make sure all patrons have left the area. The First Selectman in Southbury and Chairman S. Young have spoken regarding the issues in Southbury. First Selectman Jeff Manville has contacted the Southbury Police about the issue. If the patrol sees patrons in Southbury camping or having campfires they are to contact the Brookfield Police Department and then Southbury Police will be contacted by Brookfield. Chairman S. Young stated that there have been some boat issues this month. One of the batteries was not charged on Boat #2. This boat just had its motor replaced. Now all boats are in service and in working condition. Chairman S. Young also stated that there are some issues finalizing the AIS Grant. The vendor has removed 147 gallons of water chestnuts this year compared to 330 gallons in the same areas as last year. LLA and the vendor will deal with the grant paperwork and payment for this service at a later date. Chairman S. Young stated that First Light & Power verbally agreed to allow fish regulation signs to be posted. LLA will need to comply with the necessary paperwork to be completed before the signs are attached. Schifilliti spoke to the Newtown First Selectman and was told to speak with the Chair of the Finance Committee in Newtown. He will meet with him on Friday. Newtown has agreed to pay the additional monies. The reason for this meeting is that if another increase in the Town contributions a process will need to be followed. First Vice Chairman S.
