<td>Newton Ordinance 124 should be merged into the Charter, specifically, referencing § 9-204b of the Connecticut General Statutes applies. Per BOE: When a revised charter is filed with the State, a statute governing BOE elections must be indicated. For the 2016 Charter filing, Connecticut General Statute § 9-204 was selected to apply, impinging on number of candidates a party could put forth on the ballot and number of candidates electors could vote for. This was an unintended restriction on the ability of voters to vote for BOE members. As a result, the Legislative Council enacted Town Ordinance 124 to address the issue. When the next revision of the Town Charter is filed with the state, the effective BOE elections statute will likely again be selected as a part of the filing process.</td>

<td>Consider whether town Charter Section 6-35(b) and (c) should be amended to include the Board of Education as a possible initiator of Special Appropriations. Concerns include: bonding cost is incurred on the BOS side, so LC and/or Finance Director director and BOS should be part of the approval process. Rationale per BOE: The appropriations process as outlined in 6-35(b)-(c) does not include the Board of Education. This is not consistent to that of budgetary and CIP appropriations. For budget appropriation requests, both the Board of Selectmen and the Board of Education prepare their respective requests, and (currently) provide those requests to the Board of Finance. For the Capital Improvement Plan (CIP), newly amended, the Board of Selectmen and the Board of Education also prepare their respective requests, and (currently) provide those requests to the Board of Finance. These processes suggest that the BOE regularly initiates appropriation requests.</td>

CHAPTER 1 INTRODUCTION

1-01 Incorporation

(a) All the inhabitants dwelling within the lawfully defined territorial limits of the Town of Newtown shall continue to be a body politic and corporate under the name of the "Town of Newtown", hereinafter called "the Town". As such, it shall have perpetual succession and may hold and exercise all powers and privileges heretofore exercised by the Town and not inconsistent with the provisions of this Charter and all powers and privileges conferred upon towns under the General Statutes of the State of Connecticut.

Nothing herein shall be construed to affect the right of the Town to collect any assessment, charge, debt or lien. Any rights or obligations of a Town Department that would fail, lapse or fall into breach by reason of any change in the powers, organizations or duties of Town officers, boards, commissions or authorities resulting from this Charter shall be assumed by the Board of Selectmen, unless otherwise provided by ordinance, resolution or the terms of this Charter.

1-10 Powers of Town

1-15 Effect of Charter

(a) This Charter shall be the organic law of the Town in the administration of its local affairs. Special acts and ordinances inconsistent with this Charter and superseded by it shall have no further force or effect after the effective date of this Charter. (1) The Legislative Council shall reconsider and amend the proposed Town Budget within seven (7) calendar days. When amending the Board of Selectmen Budget, the Legislative Council shall confer with the First Selectman and members of the Board of Selectmen. Similarly if one or both appropriations of the budget fail, Subsection 6-25(b) shall be repeated until both appropriations are approved by referendum vote.

(d) When a part or parts have been approved by majority vote, the Board of Selectmen and the Board of Education shall amend the proposed Board of Selectmen or the proposed Board of Education Budget to reflect the voter approved appropriations. Said amended budgets shall be available for public inspection.

6-26 Local Questions on Ballot

(a) The Legislative Council, with a majority vote of at least six (6) affirmative votes, may place local questions on the **Annual Town Budget Referendum** ballot.

6-30 Laying of Taxes

The tax laid shall be based on facts known and estimates made at the time the Legislative Council acts and may be different from the mil rate estimated prior to the **Annual Town Budget Referendum** or any subsequent referendum even though the budget adopted is the same as the budget recommended to the **Annual Town Budget Referendum** or any subsequent referendum.

(b) The Tax Collector shall collect the tax in accordance with the **General Statutes**. Taxes shall be delinquent and interest charged in accordance with the **General Statutes** and any amendments thereto. Real estate tax bills shall be due and payable in 2 semi-annual installments, July 1 and January 1.

6-35 Special and Emergency Appropriations

An "Emergency Appropriation" is an appropriation required for an unforeseen or extraordinary event or threat to public health, safety, or welfare.

(b) A request for a **Special** or **Emergency Appropriation** may be initiated by the First Selectman with the approval of the Board of Selectmen, by the Board of Education, or by the Legislative Council. The request shall include an estimate of the funds required, the reasons therefore, and a proposed method of financing. Methods of financing include, without limitation, issuing notes or bonds of the **Town** or laying a special tax on the Grand List last completed. The Finance Director shall prepare a **Financial Impact Statement** for requests for **Special Appropriations**.

(c) If the First Selectman with the approval of the Board of Selectman initiates, or the Board of Education initiates an **Emergency Appropriation** request, the appropriation may be approved by a majority vote of the Legislative Council. If initiated by the Legislative Council, the **Emergency Appropriation** must be approved by the affirmative vote of at least eight (8) members of the Legislative Council.

(d)

(1) The Legislative Council shall have the power to approve, without referendum, **Special Appropriations** in an amount not in excess of $1,500,000 cumulative during a fiscal year. Said amount approved by the Legislative Council shall be cumulative as to the fiscal year. The total of **Special Appropriations** approved by the Legislative Council for all purposes during a fiscal year shall not exceed an amount equal to one mil on the most recently completed Grand List.

(2) The Legislative Council shall have the power to approve, without referendum, **Emergency Appropriations** in a cumulative amount for the fiscal year not in excess of an amount equal to one mil on the most recently completed Grand List. Said amount
approved by the Legislative Council shall be cumulative as to the fiscal year. Upon
approval by the Legislative Council of Emergency Appropriations beyond said one mil,
approval by referendum is required.

Special or Emergency Appropriation that shall be included by the Board of Selectmen in
the warning of the referendum.

(h) If a Special or Emergency Appropriation is voted for a purpose requiring the expenditure
or encumbrance of funds during a fiscal year for which an annual budget has been adopted
but the tax has not yet been laid in accordance with Subsection 6-30(a) of this Charter, it
may be financed by being included in the mil rate for said fiscal year.

6-40 Grants or Other Financial Assistance

(a) Grants and other forms of financial assistance, whether from the State of Connecticut, the
United States or any other source, shall be subject to review for their financial impact on the
Town. The Finance Director or the Town Department requesting a grant or other form of
financial assistance shall submit a Financial Impact Statement to the Legislative Council
that evaluates the impact of the commitments and the conditions required of the Town by
the grant or financial assistance on present and future Town Budgets, Town Plans for
Development and Capital Improvement Plans. The Impact statement shall be submitted and
reviewed before any action is taken that commits the Town to accept said grant or financial
assistance.

CHAPTER 7 FINANCIAL PROCESSES

7-05 General Financial Process

(a) The fiscal year of the Town shall begin on July 1st and end on June 30th.

(b) The system of accounts used by the Town Departments shall be that prescribed by the
General Statutes as supplemented by regulations adopted by the Legislative Council and in
accordance with generally accepted accounting principles. The accounting system shall
include a separate account for each appropriation showing the amount of the appropriation,
the amounts paid or transferred to it, the unpaid obligations against it and the
unencumbered balance of the appropriation.

(c) The Legislative Council shall annually designate an independent, certified public
accountant or firm to audit the books and accounts of the Town as required by the General
Statutes. Said annual audit shall be accepted by the Legislative Council at its discretion.

(d) All Town Departments and officers shall report and remit all receipts to the Finance
Director as often as he or she may deem desirable but not more often than daily.
7-10 Bonding

(a) The Finance Director shall seek bids from at least 3 lending institutions for all borrowings and the net bid most favorable to the Town must be accepted unless the Finance Director believes that it is in the best interest of the Town to reject all such bids, in which case all such bids may be rejected. The Finance Director may negotiate refunding and restructuring of existing bonds when it is financially advantageous. The re-negotiation may be done without securing bids.

(b) Every resolution for the issue of bonds shall provide for a tax levy for each year to meet all serial installments of principal and interest and such amounts shall be included in a tax levy for each year until said bond shall have been paid in full.

7-15 Disbursements/Purchases

(a) The Legislative Council shall keep under review the budget of the Town and shall by regulation prescribe periodic reports of receipts and expenditures for which purpose said Legislative Council shall have access to the books and records of any Town Department.

(b) The regulations adopted by the Legislative Council shall also designate the forms and procedures for purchase orders to be drawn on the Finance Director by the Board of Education and the Board of Selectmen.

(c) Neither the Board of Selectmen nor the Board of Education shall draw any order upon the Town unless the Finance Director confirms that there are appropriations within the requesting Town Department to cover the request.

(1) Before any Town funds are expended or encumbered or any contract is entered into, a requisition or other form of expenditure authorization request shall be signed by the department head or other authorized person which then shall be submitted to the Finance Director for approval and issuance of a purchase order. Each order shall designate the object for and the account upon which it is drawn.

(2) The Board of Education may make transfers within its own budget and shall report transfers within its budget in writing monthly to the Finance Director.

(3) When funds appropriated to the office of the Finance Director are spent or encumbered, purchase orders there for shall be signed by the First Selectman.

(4) The Finance Director, or another member of the Purchasing Authority shall issue all Town purchase orders. Further, the purchasing procedures adopted by the Legislative Council shall be followed.

(d) The Finance Director, in conjunction with the First Selectman, shall be the Purchasing Authority for the Town. All supplies and contracts for services needed by Town Departments other than the Board of Education shall be procured through the Purchasing Authority. Supplies and services needed by the Board of Education may be procured through the Purchasing Authority when feasible.

(e) No officer or Town Department shall expend or vote to incur any liability or expense by contract or otherwise, or enter into any contract that would obligate the Town to expend in excess of an approved departmental line item appropriation. For the purpose of this Charter, a line item means any expenditure for the current fiscal year to which the Legislative Council has assigned an appropriation account number. Any officer or member of a Town Department who, without authority from this Charter or the General Statutes, expends or causes to be expended any money of the Town, except in payment of final
judgments rendered against the Town, shall be liable in a civil action in the name of the Town, as provided in the General Statutes.

(f) All sums not in excess of $50,000 which may become due and payable to the Town or any Town Department by virtue of any loss or damage suffered by persons or property entrusted to the care, supervision or management of any such department shall be deposited in a special account and segregated by the Finance Director. Thereafter, the Finance Director shall use such sums so segregated to pay any bills incurred in the course of repairing or replacing such loss or damage by the Town Department in question, but such payments shall not exceed the lesser of the amount of money so deposited or the cost of repair or replacement. Any such money which is not so expended within one year from the date of its deposit shall cease to be segregated from the general fund of the Town, unless the Town Department that has incurred the loss or damage, notifies the Finance Director in writing before the expiration of said year that such repairs or replacements have been commenced or will be commenced within 90 days and will be completed on a date which will be specified in the aforesaid written notice, not to exceed 18 months.

7-20 Transfers

(a) During the first 335 days of any fiscal year:

(1) The First Selectman and Finance Director may transfer unexpended and unencumbered balances of any appropriations within a department to another appropriation for the same department, which shall not exceed the sum of $50,000.00. All transfers within a department that exceed the sum of $50,000.00 shall require the approval of the Legislative Council.

(2) Upon the request of the Board of Selectman, the Legislative Council may transfer any unencumbered appropriation, balance or portion thereof from one department to another.

(3) All appropriations or transfers from a contingency account require the approval of the Legislative Council.

(b) After the first 335 days, upon request of the Finance Director, the Legislative Council shall have the power to transfer, without limitation, the unexpended and unencumbered balances of any appropriation for one department to an appropriation for another department.

(c) Nothing contained in Section 7-20 of this Charter shall affect any appropriation contained in, or transfers within, the budget of the Board of Education.

7-25 Financial Impact Statements

(a) The Legislative Council in its regulations shall designate the form of the Financial Impact Statement.

(b) No Special Appropriation shall be made, no purchase, grant nor gift of real or tangible personal property shall be accepted by any Town Department as provided in Sections 6-35, 6-40, and 8-05, until the Legislative Council has received and has had thirty-five days to give due consideration to a Financial Impact Statement.

(c) Financial Impact Statements shall be prepared by the Finance Director as set forth in Subsection 4-05(c)(7).

8-05 Acquisition of Real Property

(a) A recommendation to acquire real property shall be initiated by the First Selectman, with the approval of the Board of Selectmen, and presented to the Legislative Council.

(e) As provided in Subsection 6-35(e), if the real property proposed to be acquired requires an appropriation of $1,500,000 or more, said Acquisition shall require approval of a referendum.

(f) Following the approval of the Legislative Council or referendum to acquire real property, the Board of Selectmen shall authorize an officer, board or commission to act on behalf of the Town in such Acquisition.

(d) Upon meeting said requirements of Subsection 8-10(c), the Legislative Council may vote to sell or otherwise dispose of said Real Property as required by the General Statutes, if applicable, or by majority vote.

(1) The Legislative Council may recommend that the Board of Selectmen consider factors other than obtaining the highest price, such as considering the buyer’s binding commitment to use the real property for a specific purpose and where there is a benefit to the Town.

(e) Where the Legislative Council votes to sell or otherwise dispose of Real Property having an appraised value of $1,500,000 or more said action shall require approval of a referendum.

CHAPTER 9 ETHICS COMPLAINTS AND ADVISORY OPINIONS

9-05 Code of Ethics

(a) The Code of Ethics shall guard against improper influence or the appearance of improper influence to better ensure public trust in the government. To that end, the Code of Ethics shall set standards on the conduct of all Town officials and employees as necessary or appropriate.

(b) The Code of Ethics is an ordinance which can be amended in accordance with the procedures for amending ordinances except that the Board of Ethics, without a petition, may propose amendments. In the event that an amendment is so proposed, the Legislative Council shall have no more than 120 days to approve, modify or reject said amendment.

(c) The Board of Ethics shall be charged with the administration of the Code of Ethics. The Board shall adopt and may amend reasonable rules and regulations for the administration of its proceedings. Prior to adopting or amending said rules and regulations, the Board shall hold a public hearing. Notice of the date, time and place of the public hearing, together with the text of the proposed amendment, shall be warned according to Subsection 1-25(b) not less than 10 days before the date of said hearing. All such rules and regulations, as currently amended, shall be made available at the office of the Town Clerk to any Resident Elector of the Town.
(d) Whenever an officer, official, or employee of the Town is contemplating taking an action or participating in any proceeding and has any question concerning the conformity of that action or participation with the Code of Ethics, the officer, official or employee shall have the right to seek an advisory opinion of the Board. Such request must be submitted in writing and the resulting advisory opinion from the Board shall be in writing.

9-10 Procedure for Complaints

(a) The Board of Ethics shall receive complaints of any violations of the Code of Ethics and shall, upon receipt of such complaints, investigate the same and may hold private investigations thereon if, in the opinion of the majority of the Board, said complaint warrants an investigation. Complaints made to the Board of Ethics shall not be made public unless and until the complaint is found to warrant a hearing. Upon receiving any complaint, the Board shall privately notify in writing the person against who said complaint has been filed, advising the concerned party of the specific nature of the complaint made and being investigated by the Board and the name of the complainant. Upon receipt of said notice from the Board, the party so notified that a complaint has been filed against him/her shall have the right to request a full hearing by the Board. In the event the Board decides that a hearing is required, or the person whose conduct is being called into question requests a hearing, said hearing shall afford the person whose conduct is called into question the right to cross-examine witnesses, to meet and answer the complaint, and to present evidence. No hearing may be conducted with fewer than 4 members of the Board in attendance.

(b) In the event the Board shall receive complaints against any officer, official or employee of the Town, the investigation and disposition of which have been delegated to other boards or commissions created by the Charter or under the General Statutes, then the Board shall forward the complaint received to the appropriate board or commission. The board or commission to which such complaints are forwarded shall thereafter notify the Board of the disposition made of said complaint.

(c) The Board shall report to the Board of Selectmen its finding as to whether or not a violation of the Code of Ethics has occurred, together with recommendation as to dispositions to be made. The First Selectman with the approval of the Board of Selectmen shall thereupon take such action as it may deem appropriate including, but not limited to, removal from office, suspension or censure of the person(s) who is the subject of the complaint or dismissal of the charges, except that elected officials may not be removed or suspended from office.

(d) All opinions, finding and recommendations of the Board, whether advisory or at the request of a complainant, shall be kept on file in the office of the Town Clerk.
