AGREEMENT

THIS AGREEMENT is made and entered into by and between the NEWTOWN BOARD OF EDUCATION (hereinafter referred to as the "Board") and the NEWTOWN FEDERATION OF TEACHERS, LOCAL 1727, AFT, CONNECTICUT FEDERATION OF TEACHERS, AFL-CIO (hereinafter referred to as the "Federation").

1. RECOGNITION

The Board recognizes the Newtown Federation of Teachers as the exclusive bargaining representative for all its certified professional employees occupying positions requiring a teaching or special service certificate, including employees working under durational shortage area permits (DSAP), other than temporary substitutes and excluding the Superintendent, Assistant Superintendent, Business Manager, Director of Pupil Services and all personnel covered by the Newtown Association of School Administrators' contract.

2. DEFINITIONS

2.1 Unless otherwise indicated, the term "teacher", when used in this Agreement, shall refer to all employees in the unit described in Section 1.1 above. Use of the masculine, "he" or "his," herein shall also connote the feminine and use of the feminine, "she" or "her," shall also connote the masculine.

2.2 Interim Teachers. Positions which are expected to be vacant for at least forty (40) school days shall be filled by substitute teaching personnel who have met the State Certification requirements of the vacant positions. After a forty (40) school day trial period, such certificated substitute teachers shall be given the status of an interim teacher and shall thereafter be paid at the appropriate rate on the teachers' salary schedule. If a certificated teacher is unavailable, the Board shall attempt to fill such vacancy by a qualified noncertificated person.

2.3 "Days," as used in this Agreement, shall mean days when school is in session. During the summer months when school is not in session, "days" shall mean calendar days other than Saturdays, Sundays, and holidays.

3. BOARD RIGHTS

3.1 The Board reserves and retains, solely and exclusively, all its rights, express or implied, to manage the school system and its employees. The Federation agrees that the functions and rights of management belong solely to the Board and that the Association will not interfere with the Board's exercise of these rights and functions.

3.1.1 Enumerated Rights. The exclusive functions and rights of the Board include, but are not restricted to, the right to: direct the operation of the public schools in the system in all aspects; select and employ new personnel; manage the school system and the direction of its work force; determine methods and levels of financing and budget allocation;
provide, when necessary, for the transportation of students; designate the schools to be attended by the children in the system; establish the number of schools to be utilized by the system; maintain good public elementary and secondary schools and provide such other educational activities as in its judgment will best serve the interests of the system to give the children of the system as nearly equal advantages as may be practicable; maintain and operate buildings, lands, apparatus and other property used for school purposes; decide the textbooks to be used; make rules for the arrangement, use and safekeeping of the school libraries and to approve the books selected therefor; prepare and submit budgets and, in its sole discretion, expend monies appropriated to the Board for the maintenance and operation of the schools, and to make such transfers of funds within the appropriated budget as it shall deem desirable; determine, and from time to time redetermine, the number of Board personnel and the methods and materials to be employed; select and determine the qualifications of teachers required to promote the efficient operation of the school system; distribute work to teachers in accordance with the job content and job requirements determined, and from time to time redetermined, by the Board; determine the procedures for promotion of teachers; create, enforce and, from time to time, change rules and regulations concerning discipline of teachers; discipline, suspend or discharge teachers; and, otherwise take such measures as the Board may determine to be necessary to promote the orderly, efficient and safe operation of the school system.

3.1.2 Unenumerated Rights. The listing of specific rights in subsection (1) of this section is not intended to be all inclusive, restrictive or a waiver of any rights of the Board not listed which have not been expressly and specifically surrendered herein, whether or not such rights have been exercised by the Board in the past.

4. SAVING CLAUSE

If any provision of this Agreement is, or shall at any time be, found contrary to law by a final decision of a court of competent jurisdiction, then such provision shall not be applicable or performed or enforced, except to the extent permitted by law, and any substitute action shall be subject to appropriate consultation and negotiation between the parties. In the event that any provision of this Agreement is, or shall at any time be, contrary to law, all other provisions of this Agreement shall continue in effect.

5. DISCUSSION OF NEW MATTERS DURING TERM OF AGREEMENT

5.1 In order to promote better communication between the administration and the teachers, the parties hereto agree to the following:

5.1.1 Consultation by the Superintendent and/or his/her representatives with representatives of the Federation at least once a month during the school year on matters of educational policy and development, or any matters which are not covered by the Agreement and on administration of the Agreement. The parties shall exchange agenda indicating the matter they wish to discuss no later than seven (7) days prior to the scheduled meeting date, except for matters of urgency.
5.1.2 Consultation by the Principal or other head of each school and his/her representatives with the building representative(s) from the school at least once a month during the school year on matters of school policy and on implementation of the Agreement.

5.2 Other than in connection with negotiations for a successor agreement, the Board and the Federation expressly waive and relinquish the right and each agrees that the other shall not be obligated, for the duration of this Agreement, to bargain collectively with respect to any subject or matter whether or not referred to or covered in this Agreement, except as noted in Sections 5.2.1 or 5.2.2 below.

5.2.1 In the event that the Board establishes new or revised positions within the bargaining unit, the parties will negotiate the salaries and/or differentials for such positions.

5.2.2 In the event the Federation and the Board voluntarily and mutually agree to bargain over wages, hours or working conditions during the term of this Agreement, such negotiations will be in accordance with Connecticut General Statutes.

6. PROFESSIONAL NEGOTIATION

6.1 Whenever members of the bargaining unit are scheduled by the parties to participate during school hours in bargaining meetings, including mediation and negotiation sessions, they shall suffer no loss of pay.

7. STRIKES

The Federation agrees that it shall not call, authorize, instigate, sanction or condone any strike, slowdown, work stoppage or other concerted refusal to perform any assignment on the part of any employees during the period of this Agreement or any extension thereof.

8. GRIEVANCE PROCEDURE

8.1 Definitions

8.1.1 A “grievance” is a claim based upon the interpretation, meaning or application of any of the provisions of this Agreement.

8.1.2 A “grievant” is the person or persons making the claim. If a grievance affects a group or class of members of the bargaining unit, the Federation may submit such grievance, in writing, to the Superintendent directly and the processing of such grievance will commence at Level 2, provided that, the written grievance is submitted to the Superintendent within fifteen (15) days following the event or condition on which the grievance is based. Such grievance shall not be processed to a higher level unless at least one aggrieved teacher submits the grievance, in writing, in accordance with Sections 8.3.3 or 8.3.5. The fact that a grievance is not processed to a higher level because of the preceding sentence shall not bar another teacher from making a timely claim based on the same or a similar condition or event.
8.1.3 "Superintendent" for the purpose of this Section shall mean and include the Superintendent and/or his/her designee.

8.2 Purpose

8.2.1 The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the grievances which may from time to time arise. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.

8.2.2 Nothing herein contained shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration.

8.3 Procedure

8.3.1 Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum, and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

8.3.2 Prior to filing a formal grievance, the aggrieved party may first attempt to resolve his/her issue(s) with his/her principal, or appropriate other administrative official on an informal basis. If the aggrieved party pursuing the issue is the Federation, the affected teacher or teachers shall be identified and included in the discussion.

8.3.3 No reprisals of any kind shall be taken by either party or by any member of the administration against any participant in the grievance procedure by reason of such participation.

8.3.4 Any grievant may be represented at any level of the formal grievance procedure by a Federation representative. When a teacher is not represented by the Federation, the Federation shall have the right to have representatives present to state their views at all stages of the procedure.

8.3.5 Subject to the provision of Section 8.3.4, the Federation may call upon the professional services of its parent organization for consultation and assistance at any stage of the procedure.

8.3.6 If the grievant does not file a grievance within the time limit set forth herein, such grievance shall be considered waived.

8.3.7 If the grievant fails at any level to appeal a grievance to the next level within the specified time limits, the grievance shall be deemed waived. Failure of the Board at any level to comply with time limits regarding responding to a grievance shall permit the grievant to appeal the grievance to the next level.
8.3.8 If any arbitration proceeding is held during school hours, the grievant, witnesses who actually testify, and one Federation representative (if the grievant is being represented by the Federation) will be excused for the hearing without loss of pay. If any meetings under the grievance procedure are held during school hours, the grievant and a Federation representative shall be excused to attend the meeting without loss of pay.

8.3.9 If the grievance arises out of the action of some official other than the Principal or immediate supervisor, then the grievance shall be initiated with that person as a substitute for Level One.

8.3.10 The parties shall maintain the confidentiality of all grievance meetings or hearings and Board hearing discussions and all information presented during such meetings or hearings, to the extent allowed by law. However, nothing contained herein shall be construed as to preclude intra-union communications.

8.3.11 All documents, communications and records dealing with the filing of a grievance shall be filed separately from the personnel files of the participants. Such maintenance of grievance files shall not in any way whatsoever prohibit use of the documents contained therein in any other subsequent proceeding.

8.3.12 Level One - Principal or Immediate Supervisor

A grievant shall, within fifteen (15) days following the event or condition on which the grievance is based, present a written grievance to his/her Principal or immediate supervisor (and a representative of the Federation if the grievant so desires). The Principal or immediate supervisor shall give the grievant a written response within ten (10) days.

8.3.13 Level Two - Superintendent of Schools

8.3.13.1 In the event that the grievant is not satisfied with the disposition of the grievance at Level One, he/she may file a written grievance with the Superintendent of Schools within five (5) days after the written response at Level One.

8.3.13.2 Within ten (10) days after receipt of the written grievance, the Superintendent shall meet with the grievant (and a representative of the Federation if the grievant so desires) in an effort to resolve it. The grievant shall be given a written response to his/her grievance within ten (10) days after such meeting, such response to be signed by the Superintendent and to constitute the Superintendent’s decision on the grievance.

8.3.14 Level Three - Board of Education

In the event that the grievant is not satisfied with the disposition of the grievance at Level Two, he/she may submit such written grievance to the Board within fifteen (15) days after the meeting at Level Two. Within ten (10) days after receiving the written grievance, the Board shall meet with the grievant (and a representative of the Federation if the grievant so desires) for the purpose of resolving the grievance. The decision on the grievance at Level
Three shall be rendered by the Board within fifteen (15) days after such meeting.

8.3.15 Level Four - Arbitration

8.3.15.1 If a grievance is not settled at Levels One, Two or Three only, the Federation may submit, if the grievant so directs in writing and the Executive Council approves, the grievance to final and binding arbitration before an arbitrator selected in accordance with the Voluntary Rules of Labor Arbitration of the American Arbitration Association, provided that, such submission is made within ten (10) days after the decision was rendered or should have been rendered at Level Three and, provided further, such grievance may be arbitrated under the American Arbitration Association’s expedited rules if the parties mutually agree to do so, such agreement not to be unreasonably withheld by either party.

8.3.15.2 The arbitrator shall hear only one grievance at a time. The arbitrator shall have no authority to add to, subtract from or modify the terms of this Agreement. The fees and expenses of arbitration shall be borne equally by the parties.

8.3.15.3 The Federation agrees that the decision of the arbitrator shall be final and binding, and that this grievance procedure shall be the sole and exclusive means of resolving claims which are encompassed within the definition set forth in Section 8.1.1.

9. CLASS SIZE

9.1 Subject to the availability of funds and facilities, class sizes for the duration of this contract will be planned in accordance with this Article 9. For the purposes of this Article, “regularly scheduled class” means a class assigned to a teacher to teach on a continuing basis.

9.2 Except for the subject area referred to in Section 9.3, or for the purpose referred to in Section 9.4, regularly scheduled classes shall be planned for an average of twenty-five (25) pupils and a maximum of thirty (30) pupils.

9.3 The standards set forth in Section 9.2 shall not apply to secondary level classes in music or physical education.

9.4 The standards set forth in Section 9.2 may be modified for the following bona fide educational purposes:

9.4.1 Large group instruction.

9.4.2 Team teaching.

9.4.3 Experimental programs.

9.4.4 To take into account special needs or factors, such as safety, space and equipment, assignment of paraeducators, student capability, amount of teacher clerical work, student age, degree of individual attention required by subject matter, or State requirements.
10. TEACHING ASSIGNMENTS

10.1. Teachers initially employed by the Board shall receive their building assignments from the Superintendent’s office. Grade and/or subject assignments shall be given to the new teacher by August 1 (if practicable) or at the time of hiring, whichever is later.

10.2 Teachers already in the system shall receive notification of their grade levels, programs, subjects, and room assignments for the ensuing school year no later than fifteen (15) days prior to the end of the school year. All such assignments, programs and schedules shall be tentative until such time as the Board’s budget is approved by the Town. Thereafter, teachers shall be notified promptly, in writing, of any changes in their program and schedules for the ensuing school year, including the schools to which they will be assigned, the grades and/or subjects that they will teach, and any special or unusual classes or assignments they will have. Wherever possible, materials for programs shall be made available to each teacher prior to the teacher assuming responsibility for the program.

10.3 In the determination of assignments, the convenience and wishes of the teacher shall be honored to the extent that these considerations do not conflict with the instructional requirements and best interest of the school system and the pupils as determined by the Principal and/or Superintendent, as may be appropriate. Any teacher may enlist the assistance of a Federation representative in expressing the teacher’s wishes as set forth in this section.

10.3.1 On or before May 1 of each school year, time shall be devoted at a faculty meeting in each elementary school for the principal to share with the faculty his/her plans for the procedures to be followed in scheduling and the making of assignments for the coming year. At that meeting, the principal shall invite the faculty’s feedback and ideas. Promptly after the meeting, elementary teachers shall be given an opportunity to fill out a preference sheet regarding grade level assignments.

10.3.2 All teachers shall be given an opportunity to complete an assignment preference sheet and an opportunity to discuss their assignment preferences with their principal. In the determination of assignments, the convenience and wishes of the teacher shall be honored to the extent that these considerations do not conflict with the instructional requirements and best interest of the school system and the pupils as determined by the Principal and/or Superintendent, as may be appropriate.

10.3.3 A copy of teaching schedules, including non-teaching assignments, shall be available at each school.

10.3.4 All cafeteria duties shall be rotated on an equitable basis as determined by the principal and/or Superintendent, as may be appropriate.

10.3.5 Bus duties shall be rotated on an equitable basis in each school.

10.3.6 There shall be equity in teachers’ assignments pertaining to class size for the same subject, e.g. College Prep.
10.3.7 There shall be equity in teachers’ caseloads to the extent that these considerations do not conflict with the instructional requirements and best interest of the school system and the pupils as determined by the Superintendent or designee, as may be appropriate.

10.4 In arranging schedules for teachers who are assigned to more than one school, every reasonable effort shall be made to limit the amount of inter-school travel.

10.5 The Board shall make every reasonable effort to assure that pupils are taught by teachers working within their areas of competence. Teachers will not be assigned, without their consent, to subjects or grade levels outside the scope of their teaching certificates.

10.6 Teacher assignments shall be made without regard to age, race, creed, color, religion, sex, nationality, marital status, disability, ancestry, genetic information, sexual orientation or gender identity or expression.

10.7 No teacher will be regularly assigned more than five (5) instructional periods per day, on a weekly average, without his/her consent. Each building will post opportunities for teaching additional classes in accordance with Section 11.1. A teacher who consents to regularly teaching more than five (5) instructional periods per day, on a weekly average, shall be compensated at the rate of 1-7th of his/her daily rate per period. This Section shall be applicable only to the intermediate, middle and high schools.

10.8 In lieu of a duty a teacher may be assigned to the learning and/or tutorial center to work with students within the area of their certification.

11. VACANCIES AND NEW POSITIONS

11.1 When the Board decides to fill a vacancy or new position within the teachers’ bargaining unit, it shall email all certified staff via district email and post notice of the vacancy or new position on the district’s website for a period of five (5) days. Such notification shall indicate that interested candidates shall apply for the position using the district’s electronic process. The proper notice of such a vacancy or new position shall clearly set forth the responsibilities, qualifications, and salary. The Board shall also notify the President of the Federation or designee regarding such postings by email at the time of such postings. Qualified bargaining unit applicants shall be granted an interview. Where there are two or more applicants for any such vacancy or new position, the Superintendent will make his/her decision based on qualifications and seniority. Qualifications means certification, educational background, previous experience, evaluations, bona fide occupational qualifications and recommendations.

11.2 The Board shall inform teachers of all vacancies and new positions in the administrators’ bargaining unit by posting a notice of that vacancy or new position on the district’s website for a period of five days and shall email all certified staff via district email.

11.3 Vacancies and new positions which occur in both the teachers’ and the administrators’ bargaining units during the summer vacation shall be posted in accordance with
Section 11.1.

11.4 At any time during the calendar year, a teacher who desires to apply for any vacancy or new position (in either the teachers’ or the administrators’ bargaining unit) shall file his/her application, online, with the Superintendent within the time limit specified in the notice.

12. RESIGNATION

Any teacher intending to resign or retire shall give written notice to the Superintendent as soon as the teacher has a firm intention to resign/retire, but in no event later than forty-five (45) days prior to the effective date of the resignation/retirement. When it is determined by the Superintendent that it is in the best interests of the individual resigning/retiring and the school system, the Superintendent may waive all or part of the forty-five day notice requirement.

13. HEALTH EXAMINATIONS

When the Board believes that a teacher’s professional competence has been so impaired by a physical or psychiatric condition that it is questionable whether the teacher’s employment should be continued, the Board may, at its discretion and at its expense, require the teacher to submit to a medical or psychiatric examination, or both, advising the teacher of its reasons (in writing, if so requested in writing by the teacher) for requiring such examination. The teacher shall have the right to advise the Federation of the Board’s action and shall further have the right to select the professional person or persons to perform such examination from a list of three (3) professional persons empaneled by the Board. In connection with such examination, the teacher shall have the right to require the examining physician to consult with the teacher’s own physician, or his/her choice of psychiatrists. Such examination shall be kept as confidential as the law allows.

14. EVALUATIONS AND PERSONNEL FILES

14.1 Teachers shall have the right to inspect their personnel files, to receive photocopies of any materials therein within two working days, and to attach a written comment to any evaluation or report in such file.

14.2 Administrators will be encouraged to place information of a positive nature indicating special competencies, achievements, performances or contributions of an academic, professional or civic nature in teachers’ personnel files.

14.3 ADVANCED NOTICE OF NEGATIVE MATERIALS. No critical or negative material shall be placed in a teacher’s personnel file unless the teacher has had an opportunity to read the material and affix his/her signature on the actual copy to be filed. The teacher shall so affix his/her signature when requested to do so with the understanding that such signature merely signifies that he/she has read the material to be filed reserving the right to respond by addenda affixed to such material. If the employee does not sign the material within three
working days, the administrator will forward the material for placement in the personnel file
with notation that the teacher has failed to sign. The Office of the Superintendent shall be the
sole custodian of all personnel files. No critical or negative material may be used in a
disciplinary proceeding against a teacher unless it has been placed in the teacher’s personnel
file in accordance with the procedure specified herein.

14.4 All items placed in a teacher’s personnel file shall be date stamped on the day of
submission.

15. PROTECTION OF TEACHERS

15.1 In the event of any dispute between a teacher and a student, the teacher involved
shall be consulted with respect to the incident. The teacher may be accompanied by a
Federation representative.

15.2 Teachers shall report immediately, in writing, to their Principal and to the
central office all cases of assault suffered by them in connection with their employment.

15.3 Such report shall be forwarded through the Superintendent to the Board which
shall comply with any reasonable requests from the teacher for information in its possession
not privileged under law or covered by the Federal Educational Rights and Privacy Act which
relates to the incident or the persons involved.

15.4 The Board agrees to provide indemnification and legal counsel to defend any
teacher in accordance with Section 10-235 of the Connecticut General Statutes.

15.5 Whenever a teacher is absent from school as a result of personal injury
compensable under Connecticut Workers’ Compensation law, and caused by an assault arising
out of and in the course of his/her employment, he/she shall be paid his/her full salary for the
period of such absence for up to one calendar year without having such absence charged to the
annual sick leave or accumulated sick leave. Any amount of salary payable pursuant to this
Section shall be reduced by the amount of any Workers’ Compensation award for temporary
disability due to the said assault injury for the period for which such salary is paid. The Board
shall have the right to have the teacher examined by a physician designated by the Board for
the purpose of establishing the length of time during which the teacher is temporarily disabled
from performing his/her duties; and, in the event that there is no adjudication in the
appropriate Workers’ Compensation proceeding for the period of temporary disability, the
opinion of the said physician as to the said period shall control.

15.6 No teacher shall be disciplined except for just cause. Termination or non-
renewal of a teacher’s contract of employment shall not be subject to this Article but, rather,
shall be in accordance with state law and shall not be subject to the grievance and arbitration
procedure set forth in Article 8 of the Agreement.

15.7 All notifications of suspensions must be in writing to the teacher with the
reason. Simultaneous notification shall be given to the Federation.
16. TEACHER FACILITIES

The Board and the Federation agree that each school should have the following facilities and further agree that the educational specifications for any new school buildings will contain plans for the following facilities:

16.1 Space in each classroom in which teachers may safely store instructional materials and supplies (unless other convenient storage space is provided).

16.2 A teacher work area containing adequate equipment and supplies to aid in the preparation of instructional materials.

16.3 An appropriately furnished room, which shall include a telephone, to be used as a faculty lounge, said room to be in addition to the aforementioned teacher work area.

16.4 Well-lighted and clean teacher rest rooms and classrooms.

16.5 Adequate parking space conveniently located at each school.

17. USE OF SCHOOL FACILITIES

17.1 The Federation will have the right to use school buildings, without cost, at reasonable times for meetings, provided, however, that the Federation will be required to pay any additional custodial cost involved by reason of said meeting. The Principal of the building in question will be requested for permission in advance of the time and place of all such meetings in order to provide the Principal with sufficient time to schedule such facilities.

Use of school office equipment for Federation needs shall be freely granted when such equipment is not in use. The costs of any materials used will be borne by the Federation.

17.2 The Federation shall have the right to put up and maintain one (1) bulletin board in each school building, which will be placed in the faculty lounge, for the exclusive purpose of displaying notices, circulars and other Federation material. Copies of all such material will be given to the building Principal in advance of posting, but his/her advance approval will not be required. The Federation agrees that it will not post any material which is derogatory to the administration, the Board of Education or any member thereof, or the school system.

17.3 Teachers may not use school facilities or property for purposes of private gain without the permission of the Board of Education. The Board shall not permit the use of teachers’ mailboxes for personal gain or political propaganda.

17.4 The Federation President shall be released from one non-teaching duty for one period during each school day in order to attend to the processing of grievances, or to meet with the Superintendent or other Administrators.
18. **SCHOOL CALENDAR**

18.1 If the Board decides to lengthen the student school year beyond 183 days, the Board agrees to compensate teachers for each student school day above 183 days at the rate of fifty-three one-hundredths of one percent (.53%) of the applicable step on the salary schedule.

Compensation for teachers shall be based on a 187-day work year. If the Board decides to change the length of the teachers’ work year, the Board agrees to proportionately adjust the applicable teachers’ salary schedule for each day added or subtracted from 187 days. The Board further agrees to provide the Federation with a minimum of thirty (30) days’ notice prior to the date of actual change in the teacher’s work year. For 2020-21, 2021-22 and 2022-23, the work year will not be reduced below 187 days.

18.2 There shall be no more than seven (7) non-student days during the employment year.

18.3 After the adoption of the district calendar, the Superintendent shall consult with the President of the NFT and the school principals and then notify the staff prior to June 15 which day in the next school year will be a professional day in which there will be no required district or building meetings to which individual teachers will be directed to attend by their supervisors.

18.4 **Additional Work Days for School Counselors**

School Counselors in grades K-4 are required to work up to three (3) extra days (as determined by the Superintendent) beyond the one-hundred-eighty-seven days defined in Section 18.1 of this Agreement as the teacher work year.

School Counselors in grades five (5) through eight (8) are required to work up to six (6) extra days (as determined by the Superintendent) beyond the one-hundred-eighty-seven days defined in Section 18.1 of this Agreement as the teacher work year.

School Counselors in grades Nine (9), Ten (10), Eleven (11) and Twelve (12) are required to work up to ten (10) extra days (as determined by the Superintendent) beyond the one-hundred-eighty-seven days defined in Section 18.1 of this Agreement as the teacher work year.

School counselors, who work such extra days, will be compensated on a per-diem basis for the set number of extra days worked.

18.5 **Additional Work Days for K-6 Math/Science Specialists**

Math/science specialists in grades K-six (6) are required to work five (5) extra days beyond the one-hundred-eighty-seven (187) days defined in Section 18.1 of this Agreement as the teacher work year.

19. SCHOOL DAY

19.1 Teachers shall arrive prior to the opening of the school day in sufficient time to prepare for a professional undertaking of the day’s involvements. Typical schedules will begin not more than one-half hour before the start of class or homeroom period and end not more than one hour per day after the close of classes, not to exceed one hour per day.

Teachers may be required to remain before/after school for up to one hour to attend the staff meetings, which will be held on Tuesdays:

- One day each month - building meeting called by the principal
- One day each month - subject field groups, grade level groups, special groups or individual meetings authorized by the Superintendent, or other meetings called by the Superintendent
- One hour meeting per month for professional development work authorized by the Superintendent

If a meeting scheduled for a Tuesday is canceled due to a school closing or early dismissal the Administration will reschedule the meeting for another day (not necessarily on Tuesday), with notice of at least one week for teachers

19.2 The Superintendent or his/her designee may establish working schedules for certified staff that are not identical to the standard school day. Full-time teaching staff assigned to such schedules shall not be required to work more hours in a typical week than the
total number of weekly hours worked by the average full-time teacher. Nothing herein, however, changes the normal practice that teachers fulfill job responsibilities outside of the regular school day.

19.3 Classroom teachers may leave the building soon after the student dismissal on days when they are not required to assist students in need of special help, supervise students who arrive or depart outside the normal working schedule, take part in parent–teacher conferences, assist in the supervision of student activities which occur out of regular school hours or to engage in any other duty, assignment, meeting or activity. Attendance shall not be required, however, at more than six (6) evening meetings per school year.

Failure on the part of the teacher to give the ninety (90) minute notice of absence may result in progressive discipline. The teacher’s notice to the Principal or his/her designee shall include his/her estimate of the duration of the absence.

Thereafter, the teacher shall be required to notify the Principal or his/her designee of any changes in said estimate as soon as they occur, but in no event shall a teacher allow five (5) working days to pass without recontacting the Principal or his/her designee unless a specific date beyond five (5) working days is established in advance by the Principal or his/her designee for such contact. For each day of unexcused absence or failure to comply with the requirements of this Section, teachers will be subject to loss of pay in an amount equal to the product of: (1) the number of such days, (2) the teacher’s salary, and (3) a fraction, the numerator of which shall be the numeral one and the denominator of which shall be the number of teacher work days in the applicable employment year. The Board may also take other appropriate action, such as letter of reprimand, withholding of increment, or dismissal, as the Board shall determine after a hearing. The Board’s determination and the reasons therefore shall be given to the teacher in writing.

22.1 Classroom teachers for grades K-12 shall have, in addition to their lunch period, an average of one preparation period per day over a five day period. This will not result in any teacher having two consecutive days without a preparation period.

22.2 Elementary classroom teachers may utilize as preparation periods the time when special teachers (music, art, library, physical education) are in their classrooms, except when specially requested to remain in the classroom by the Principal.

22.3 On any day when a special teacher is not scheduled for an elementary classroom, or when a Principal has requested an elementary classroom teacher to remain in the classroom while the special teacher was present, alternative preparation time, of thirty (30) minutes duration, shall be provided by assignment of a paraeducator.

22.4 The Board agrees to continue its practices regarding the compensation of teachers or the provision of alternative preparation time to teachers in cases when a Planning and Placement Team meeting conflicts with scheduled preparation time as provided for in Sections 22.1 or 22.2 on any given day.

22.5 Teachers required to teach an additional class or additional students as the result of the unavailability of a substitute shall be paid $50.00 per period in the intermediate, middle and high schools and $50.00 per hour for elementary schools.

22.6 Special teachers shall have an average of five (5) preparation periods per week.

23.2.2 The Board of Education agrees to deduct from teachers’ salaries said dues when said teachers voluntarily, individually and in writing authorize the Board to do so, and to transmit to the Newtown Federation of Teachers all monies so deducted accompanied by a list of the teachers’ names from whom such deductions have been made and the amount of the deduction.

23.2.3 The Federation shall, at the beginning of each school year, give written notification to the Business Office of the amount of its dues.

23.2.4 If, during the term of this Agreement, the Federation establishes plans providing welfare benefits for teachers in the unit, the Board shall honor teachers’ written requests to deduct and pay portions of their salary into such plans, provided that, such deductions are lawful and do not, when combined with other deductions authorized herein, exceed the total number of deductions available under the Board’s data processing facilities.

23.2.5 The Federation shall indemnify and save the Board and/or Town harmless against all claims, demands, suits, or other forms of liability or expense, including attorneys’ fees, which may arise by reason of any action taken in making deductions and remitting the same to the Federation pursuant to this Article.

25.3.3 Lead teachers, when asked by teachers, will provide support in the creation of goals and objectives pertaining to the teacher evaluation process.

Notwithstanding the foregoing, no newly hired teacher will be placed at a step level higher than a teacher already in the school system with the same amount of experience except in extraordinary circumstances deemed by the Superintendent to be in the best interest of the school system, provided that in any such case, the Superintendent will consult with the President of the Federation or designee prior to placing the incoming teacher on a higher step.

(a) Teacher experience interrupted by a period of five or more years may be considered for credit on the salary guide. The Superintendent will determine when it is in the best interest of the district to grant usual or partial credit.

(b) The Board of Education may give district administrators, who request reassignment to the position of teacher, credit on the salary schedule for service as an administrator provided such a reassignment does not result in a Newtown teacher losing their position as a teacher.

(c) The Superintendent may give partial credit on the salary schedule for experience in careers other than teaching if that experience is deemed by the Superintendent to entail skills
and knowledge necessary to fulfill the teaching assignment.

27.3 For any year in which the parties agree in writing there shall be step advancement, each teacher presently employed in the Newtown school system will be advanced one step above his/her step on the salary schedule for each year provided the Board shall not have voted to withhold increment in his/her case, in which event the teacher must have been informed, in writing, of the specific reasons for such withholding of increments. Teachers who have reached the top step of a salary schedule and who are reemployed for the following school year shall receive the increase to which they are entitled under the provisions of Appendix C, provided the Board shall not have voted to withhold any or all of such increase, for the following school year, in the case of a particular teacher, in which event such teacher must have been informed, in writing, of the specific reason or reasons for withholding such increase.

27.4 Any teacher entering the Newtown school system who has satisfactorily completed active service in the Armed Forces of the United States of at least six (6) months’ duration shall be credited with one step on the salary schedule.

27.5 Each teacher presently employed in the Newtown school system whose service is interrupted by active service in the Armed Forces of the United States shall be credited with one step on the salary schedule for each year of such service to a maximum of two steps.

27.6 Both parties recognize that compensation for academic course credits beyond a Bachelor’s degree shall only be required for courses taken after the teacher has been certified to teach. Compensation is not required for courses taken after initial certification but needed to qualify for certification in the State of Connecticut.

27.7 A teacher who reaches the maximum on the Bachelor’s Degree Schedule will move directly across to the Master’s Degree schedule if a Master’s Degree is granted mid-year, and up one step at the beginning of the school year.

28. INSURANCE

28.1 The Board shall offer a High Deductible Health Plan/HSA plan (the “HSA Plan”) as set forth in Appendix D with the following deductibles

2020-21: $2,000 for single coverage and $4,000 for dependent coverage
2021-22: $2,250 for single coverage and $4,500 for dependent coverage
2022-23: $2,250 for single coverage and $4,500 for dependent coverage

During each year of this Agreement, post-deductible drug co-payments of $10/30/50 shall apply.
The HSA plan shall include a health savings account feature ("HSA"), which deductibles shall be funded 50% by the Board for the 2020-21 contract year and 45% by the Board for the 2021-22 and 2022-23 contract years. The HSA plan is summarized in Appendix D. The HSA plan will be the only medical insurance plan available to employees.

One-half of the Board’s annual HSA contribution will be deposited into the HSA accounts in September, and the remaining one-half of the Board’s annual HSA contribution toward the HSA deductible will be deposited into the HSA accounts in January.

The parties acknowledge that the Board’s contribution toward the funding of the HSA plan is not an element of the underlying insurance plan, but rather relates to the manner in which the deductible shall be funded for actively employed teachers. The Board shall have no obligation to fund any portion of the HSA deductible for retirees or other individuals upon their separation from employment.

Effective with the 2021-22 contract year, the Board will not process employee contributions into employees’ Health Savings Accounts on a pre-tax basis, unless the Board and the Federation mutually agree otherwise.

Wellness Incentive: The HSA plan set forth in this Article shall include a wellness incentive program, designed to provide early diagnosis and appropriate information to patients so that they and their health care professionals can determine appropriate, timely courses of treatment as needed. The wellness program will include preventive physical examinations. If the teacher and the teacher’s spouse (if applicable) complete one preventive physical examination during the term of the contract, the Board will make a one-time contribution into the teacher’s HSA, in the following amounts, as applicable:

<table>
<thead>
<tr>
<th>Coverage</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Individual</td>
<td>$100</td>
</tr>
<tr>
<td>Family</td>
<td>$200</td>
</tr>
</tbody>
</table>

For the purposes of this paragraph, the measurement period for completing the physical examination will be the calendar year. The Board will make its additional HSA contributions on or about the July 1st following completion of the calendar year during which the physical exams are completed.

A Health Reimbursement Account ("HRA") shall be made available for any teacher who is precluded from participating in a Health Savings Account ("HSA") because the teacher receives Medicare and/or veterans’ benefits. The annual maximum reimbursement by the Board for teachers participating in the HRA shall not exceed the dollar amount of the Board’s annual HSA contribution for teachers enrolled in the HSA.

28.1.1 The Board reserves the right to study alternative health insurance plans with different carriers and to change insurance carriers on health insurance provided the following steps occur:
1. The plan suggested as an alternative must contain coverage and benefits and administration comparable to the plans presently in place at no additional cost to the employee, and such alternate plan must be subject to the rules and regulations of the State Insurance Commissioner’s Office.

2. The Union shall have an opportunity to study the proposed plan for a period of thirty (30) calendar days.

3. If at the end of the aforementioned thirty (30) calendar days there is a disagreement between the parties on whether or not the plan offers the requisite coverage, benefits, portability, and administration, then the issue will be sent to a mutually selected arbitrator. If the parties are unable to agree on an arbitrator, the American Arbitration Association shall be required to appoint an arbitrator with expertise in the health insurance field in accordance with its rules and regulations. The decision of the arbitrator shall be binding on the parties. If the arbitrator rules that the Board’s proposed alternate carrier meets the criteria outlined in Section 28.1.1.1 and the Board changes carriers, the standards outlined in 28.1.1.1 must be maintained during the life of the contract. The Union shall retain the right to ask the arbitrator to reinstate the original carrier if the standards outlined in 28.1.1.1 are not maintained.

28.1.2 (a) The teachers shall pay the following percentages of the expenses for group health and dental insurance coverage for each full time teacher, spouse and child:

<table>
<thead>
<tr>
<th></th>
<th>2020-21</th>
<th>2021-22</th>

</tbody>
</table>

(b) Premium contributions will be deducted in equal payments as a regular part of the bi-weekly payroll program.

28.2 Life Insurance - The Board shall pay the complete expense of group life insurance coverage for each full-time teacher in the amount of $100,000 per teacher. Teachers may purchase at their own expense additional insurance in increments of $10,000 provided the Board’s life insurance carrier permits employees to do so.

28.3 Annually, each teacher shall fill out a form, provided by the Board, which shall provide the Board with information concerning any other health, hospitalization, or major medical insurances that provide coverage for the teacher, his or her spouse, and/or his or her dependents.

28.4 All full-time teachers must complete six (6) full months of employment before they shall be eligible for dental insurance coverage.

28.5 Any teacher wishing to purchase “stand alone” dental insurance will be able to do so by contributing the applicable percentages for dental insurance as set forth in Section
28.1.2.

28.6 For all purposes under this Article dependent children shall be defined as:

(a) set forth in Connecticut General Statute 38a-554 as amended; and

(b) the employee’s dependent unmarried children who are incapable of self-sustaining employment by reason of mental or physical disability.

In the event of a question about a dependent receiving insurance coverage, the Board may require the employee to provide a copy of that portion of the employee’s Federal Income Tax Return which lists dependents, or other legal documents showing the employee’s legal responsibility to provide health insurance.

28.7 If the Board determines that the total cost of a group health plan offered under this contract may trigger an excise tax under Internal Revenue Code Section 4980I, or any other local, state or federal statute or regulation, during the term of this contract, the Board and the Federation will, upon the request of the Board, engage in mid-term negotiations regarding the impact of such excise tax, in accordance with the Teacher Negotiation Act (TNA). Such mid-term negotiations may include proposals designed to address the increased costs of insurance coverage including but not limited to, proposals designed to: modify the plan so as to reduce the cost of the plan below the excise tax thresholds and/or reduce the amount of any applicable excise tax, revise employee contributions to the costs of health insurance coverage, and/or allocate the responsibility for increased costs associated with the imposition of the excise tax.

29. **COURSE WORK REQUESTED BY SUPERINTENDENT**

Upon the request of the Superintendent, or upon the request of a teacher and the approval of the Superintendent, the Board shall reimburse teachers who undertake and satisfactorily complete selected studies for the benefit of the Newtown public schools for tuition and books in one lump sum. These expenses shall be considered as reimbursement of out-of-pocket disbursements and shall not be considered part of the teacher’s scheduled annual salary.

30. **TRAVEL EXPENSES**

Teachers required to travel by the Board on educational trips shall be reimbursed at the IRS allowable rate. No teacher will be eligible for any reimbursement for travel expenses unless he/she actually used his/her own automobile.

31. **SICK LEAVE AND OTHER DISABILITY LEAVES**

31.1 All teachers shall be granted annually fifteen (15) days of sick leave with full pay. Unused sick leave will be accumulated up to but not in excess of the number of days in the work year.
31.2 For absence for sickness beyond accumulated sick leave, teachers may, at the discretion of the Board, receive the difference between their regular pay and the substitute's pay.

31.3 Whenever a teacher is absent from school as a result of personal injury caused by an accident arising out of, and in the course of his/her employment, he/she shall be paid his/her full salary (less the amount of any Workers' Compensation award made for temporary disability due to said injury) for the period of such absence up to six (6) months from the date of the injury without having such absence charged to his/her annual or accumulated sick leave.

31.4 Whenever a teacher remains eligible to receive benefits under the Workers' Compensation laws after the provisions of Section 31.3 above have been exhausted, the teacher may use his/her unused sick leave to make up the difference between the daily Workers’ Compensation benefits and his/her regular daily rate of pay, in which event his/her accumulated sick leave account shall be charged on a non-prorated basis.

31.5 Maternity Leave

31.5.1 Maternity Leave shall be treated as a temporary disability and shall be provided in accordance with state and federal laws.

32. CONFERENCE LEAVE

The Superintendent, upon request from a teacher, may grant convention or conference leaves, or permission to observe an activity in another school building or school system, to teachers without loss of pay; and the Superintendent may also, on behalf of the Board, agree to the payment of all or part of the expenses of attendance.

33. EXCHANGE TEACHERS LEAVE

At the discretion of the Board, in any year teachers may be exchanged for teachers from some other school administration district in the United States or in a foreign country with the teacher's consent. All rights and privileges of the exchanged Newtown teacher shall continue in full force and effect during the exchanged period.

34. GENERAL LEAVE

34.1 Because the Board and the Federation firmly believe that they should work together to promote an ever greater degree of professional proficiency, upon recommendation of the Federation and/or Superintendent, a teacher may be granted leave by the Board, with loss of the amount of salary which is paid to such teacher's substitute, to attend programs of study which result from foundation or scholarship grants and which necessitate personal presence in advance of the close of the school year.

34.2 Military leave shall be granted in accordance with state and federal laws. Childrearing leave for a period of a full school year shall be granted to teachers, provided a
request is submitted at least six (6) months prior to the start of the school year, and the leave begins not more than six months before and not more than 12 months after the birth or adoption of a child. Other requests for childrearing leave shall be subject to the approval of the Superintendent.

34.3 Leaves of absence will, under normal circumstances, be granted by the Board for compelling personal reasons, such leaves to be without pay and without experience credit on the salary schedule and for a duration to be agreed to by the Board.

34.4 A teacher who returns to work upon termination of any leave of absence shall be reinstated in his/her previous position, if available, or to an equivalent position for which he/she is qualified, provided that such reinstatement does not require the Board to violate any other teacher’s rights under law.

34.5 At the discretion of the Board, other extended leaves not covered by this Agreement, with or without salary, may be granted upon recommendation of the Federation and/or the Superintendent. No experience credit on the salary schedule shall be granted for the period of such leave.

34.6 A teacher on an extended leave of absence under the provisions of this Article or Article 31 shall give the Board reasonable advance notice, in writing, of intent to return, indicating the anticipated date when the leave will terminate. A teacher whose leave is scheduled to terminate at or after the beginning of the subsequent school year shall give such notice not later than February 15th of the preceding school year. The Board shall send the teacher a written reminder, addressed to his or her last address of record, notifying the teacher that such a notice is due, not later than ten (10) calendar days in advance of such February 15th date. In the case of all other extended leaves of absence, at least sixty (60) days’ notice shall be given. Failure to give notice as required herein shall, at the Board’s option, be treated as a voluntary resignation of employment.

35. PERSONAL DAYS

35.1 All teachers shall be entitled to five (5) days leave of absence with pay each school year for legal, religious, business or family matters, i.e., birth of child, marriage, serious illness in the teacher’s household or immediate family, which requires absence during school hours. Leaves of absence for these purposes shall be in addition to any sick leave accumulated. Except as provided in Section 35.4 below, it is expressly agreed that such leaves are not to be used for extension of vacation periods, or holidays.

35.2 Teachers shall be granted leave with full pay for a period of five (5) days following a death in the household or immediate family defined as spouse, children, siblings, stepchildren, grandchildren, parents, stepparents, foster parents, guardians, brother-in-law, sister-in-law, mother-in-law and father-in-law and grandparents. Additional leave may also be granted at the discretion of the Superintendent for special circumstances. The Superintendent’s decision regarding any request for such additional leave shall not be subject to the grievance and arbitration procedure set forth in Article 8 of the Agreement.
35.3 Notification of such leave shall be made, in writing, to the immediate supervisor at least twenty-four (24) hours before taking such leave (except in the case of emergency) and the teacher shall state the reason for taking such leave as set forth in Section 35.1. Such leave shall be granted except in cases of extreme hardship or disability to the school system.

35.4 An absence immediately before or after a vacation shall not be compensated unless specific approval for such compensation is given before an absence by the Superintendent or Assistant Superintendent, after written application has been made by the teacher with a copy to the Principal. In no case shall a teacher request to use more than two (2) days in any school year under this paragraph.

35.5 For leaves of absence other than those covered by any portion of this Agreement, the rate of deduction from the teacher’s salary shall be determined by subtracting from the teacher’s salary for each day of absence the amount derived by multiplying the teacher’s salary by a fraction, the numerator of which shall be the numeral one and the denominator of which shall be the number of teacher work days in the applicable employment year.

36. GENERAL

36.1 The Board agrees to continue its practice of paying teachers for selected committee work which requires teacher involvement on weekends or in the evening or over school vacation periods, such as the summer break. When such work is done at the request of the Board, teachers shall be compensated at the rate of $42.50 per hour. Group leaders will receive an hourly rate 20% higher than other teachers.

36.2 When teachers are formally requested by either the Superintendent, the Assistant Superintendent or the building principal to attend a workshop during the summer which is considered to be an integral part of the district’s goals, they will receive $200 per day, prorated for less than six (6) hours for their attendance. The school system may offer teachers the opportunity to attend another category of workshops entitled “Voluntary Attendance Workshops” for which there may be no remuneration other than the school system providing for the cost of the consultant.

37. TEACHER RESPONSIBILITIES

37.1 Individual parent-teacher conferences, instituted by either the parents or the teachers, are an integral part of a good educational system. The current practice of encouraging and holding such conferences between individual members of the staff and parents shall continue. Unless otherwise determined by the Board in accordance with Section 10-153d(b) of the Connecticut General Statutes, elementary schools will have early dismissals on four (4) consecutive days in the Fall and Spring to provide time for parent-teacher conferences in conjunction with submission of pupils’ report cards. The four (4) days will be scheduled during a two-week period by the Principal after consultation with the teachers and the Federation representative in the school building. In addition, teachers will make reasonable efforts to accommodate those parents unable to visit the schools during the day. If experience
demonstrates that as much as four (4) days is not essential to accomplish these goals then, the number of days may be lessened by the Superintendent.

37.2 The Board and the Federation agree that effective lesson planning is a necessary and important part of the educational process. Lesson planning will be carried out in accordance with guidelines to be established by the Administration, with input from teachers.

37.3 The Board and the Federation recognize the importance of timely and effective communication with students and parents regarding the academic progress of students, the curriculum, assignments, homework, assessments, grading and other aspects of the educational program. The Board and the Federation also recognize that such communication will occur by various means, including phone calls, emails, use of the school district's website and other elements of the district's technology program. Such communication will be carried out in accordance with guidelines to be established by the Administration, with input from teachers.

38. STAFF REDUCTION

In the event of layoff, the Parties agrees to following staff reduction procedure:

1. General Statement

Under the provisions of Section 10-220 and 10-4a of the General Statutes, the Board has the responsibility to maintain good public elementary and secondary schools and to implement the educational interest of the State. However, recognizing also that it may become necessary to eliminate certified staff positions in certain circumstances, this policy seeks to provide a fair and orderly process should such reductions in staff become necessary.

2. Reasons for Elimination of Certified Staff Positions

It is recognized that the Board has the sole and exclusive prerogative to eliminate certified staff positions consistent with the provisions of State statutes, providing such elimination does not result in a failure in its duty as a State agency to implement the educational interests of the State to provide a good public education in Newtown.

Elimination of certified staff positions may result from decreases in student enrollment, changes in curriculum, severe financial conditions, or other circumstances as determined by the Board.

3. Definitions

A. As used herein the term days shall mean calendar days.

B. As used herein the term teacher shall be any employee of the Board who holds a certificate issued by the State Board of Education and is employed in a teaching or administrative position below the rank of
4. Procedure

A. Prior to commencing action to terminate teacher contracts under this procedure, the Board will give due consideration to its ability to effectuate position elimination and/or reduction in staff by:

1. Voluntary retirements
2. Voluntary resignation
3. Transfer of existing staff members
4. Voluntary leaves of absence

B. If a teacher has attained tenure status, his or her contract of employment may be terminated if his or her position is eliminated, but only if there is no other position for which that teacher is certified and qualified available in the Newtown Public Schools. This shall include first preference with regard to positions that are held by non-tenured teachers, in addition to positions that are open and available. When selecting teachers for termination under this procedure, the primary criterion to be applied will be successful teaching in the Newtown school system. Determination of those to be released within a certificate category shall be in the following order:

1. Non-tenured teacher
2. Tenured teachers holding provisional certificate
3. Tenured teachers holding professional certificate

C. The primary criterion to be used in selecting those employees who are to be considered for termination with the broad tenure categories established in Section 4.B above shall be the employee’s qualifications and ability as a teacher as evidenced by teacher evaluations conducted in accordance with the district’s teacher evaluation plan and other documentation regarding the teacher’s conduct and performance contained in the teacher’s personnel file. In addition, the following criteria will be considered in making a decision about termination of services:

1. Areas of certification
2. Teaching experience in other positions that may be available in the Newtown Public Schools
3. Degree status
4. Total years of teaching experience
5. Total years of teaching experience in the Newtown Public Schools

32
For the purposes of carrying out the reduction in force determination set forth above, in the event that the Superintendent determines that the qualifications and abilities of two teachers within a certification area are substantially equal, then the more senior teacher within the certification area (based on the total years of teaching experience in the Newtown Public Schools) shall be retained.

D. If the Board considers termination of the contract of a tenured teacher, it shall authorize the Superintendent to notify the teacher in writing that termination of his or her contract is under consideration. Such initial notice shall state “This is to notify you that termination of your contract of employment is under consideration.”

5. Policy Provisions Not Applicable to Promotions

Nothing herein shall require the promotion of a teacher to a position of higher rank, authority, or compensation, although the teacher whose contract is to be terminated or nonrenewed because of elimination of position is qualified and/or certified for the promotional position.

6. Reappointment Procedure

If the contract of employment of a tenured teacher is terminated because of position elimination, the name of that teacher shall be placed on a reappointment list and remain on such list for a period of two years. If a position within the area of that teacher’s certification becomes open during such period and that person is considered most qualified to fill the vacancy, then that teacher will be notified by certified mail, sent to the last known address of the teacher, at least thirty (30) days prior to the anticipated date of reemployment where possible.

In determining whether a teacher is qualified for reappointment, the criteria set forth in Section 4 above shall be considered.

The teacher shall accept or reject the appointment in writing within five (5) days after receipt of notification. If the appointment is accepted, the teacher shall receive a written contract within ten (10) days of the teacher’s acceptance of the offer. If the teacher rejects the appointment offer or does not respond within five (5) days after receipt of such notification, the name of the teacher shall be removed from the reappointment list.

39. DURATION

The duration of this contract shall be three (3) years beginning with the 2020-21 school year, and shall continue and remain in full force and effect to the end of the 2022-23 school year.
40. **TUITION REIMBURSEMENT**

The Board agrees to budget $50,000 per year for tuition reimbursement. Teachers shall be reimbursed as follows:

- Each teacher shall be eligible for reimbursement of up to six credits per year.
- Per credit cost shall not exceed that charged by Western Connecticut State University during the applicable semester (Fall/Spring/Summer).
- The employee must receive and produce evidence of having received a grade of "B" or better in the course within one month after the conclusion of the course.
- Course work must satisfy the provisions of Article 26 of this Agreement.
- The $50,000 shall be divided into halves - one for the period July 1 to December 31, and the other for January 1 to June 30.
- If requests for reimbursement exceed the amount allocated, the funds shall be divided on a pro-rata basis.
- Teachers must notify the Superintendent of enrollment in the course by August 31 for the Fall semester, January 15 for the Spring semester, and May 15 for the Summer semester, in order to be eligible for reimbursement.

IN WITNESS WHEREOF, the parties hereof have caused these presents to be executed by their proper officers, hereunto duly authorized.
