

JUNE IS DOG LICENSING MONTH

Newtown dog owners that have dogs six (6) months of age and over must be licensed annually during the month of June.

The State of Connecticut requires that all dogs must have Rabies vaccinations. Therefore, when licensing a dog it will be necessary to present current Rabies vaccination **certificate**, not the tag, and if licensing a dog for the first time, it will be necessary to present the spaying or neutering certificate in order to obtain the lower license fee.

The fees are:

\$8.00 for a neutered male or spayed female

\$19.00 for unaltered dogs.

Licenses may be ordered by mail by sending a self-addressed stamped envelope with a check or money order for the proper amount and the following information:

Rabies certificate, spay or neuter certificate, owner's name, phone number, address, dog's name, breed, age of dog, color markings and sex of dog.

Mail to: Town Clerk's Office, 3 Primrose Street, Newtown, CT 06470.

#1 DOG TAG DRAWING During the first week of July, the Town Clerk will be drawing a license from all those that have registered through **June 30th** to determine who will receive the
