

NEWTOWN SENIOR CENTER UPDATE

As we enter the month of August it's hard to believe we are less than a year away from our new Senior Center!

The dream of more space to provide more senior activities is here!
For just about 23 years many have worked and fought hard with me to get this dream a reality!

Work is in progress planning ahead with the COA program sub-committee to research and help implement a fresh and newer added range of activities for all seniors to stay active and independent for life.

Circle your calendar and be my guest for a Lunch & Learn Friday August 31 @ noon

- There will be a power point presentation plus an update on the progress of the new building.
- You will receive a hand out of the space w/ square footage, what rooms and how they will be utilized.
- Discussion of updating logos and researching possible name change
- Programming
- Review the recent survey

I would like more of your input, your thoughts. You are part of the process. This *is* an exciting time and you need to **see** and **hear** what is happening. To be part of YOUR Senior Center ongoing future plans. We want the best for our seniors going forward for the BEST enrichment and learning Center for adults!

This will be a group effort, continuing to plan ahead together.

Call me to sign up @ 203 270-4315 by Tuesday August 28.

Hope to see you there,

Marilyn Place
Senior Center Director
