Set Sewer Benefit Assessment for 10-22 Washington Avenue at \$584,000 – Alan Shepard recused himself.

Michael Burton, project owner addressed the board. The benefit assessment should be based on past benefit assessments in town. In the past, town houses have been appraised at \$9,000 and apartments at \$5,400, which was prior approval for this project and covered bridge.

Having no further business, the meeting was adjourned at 7:07pm
